CHANGES IN RED CROSS PLANNED; MEETING HERE

Suggested Executive Be Reduced From 45 to 10 Members

QUARTERLY SESSION HEARS REPORTS

Creation of New Brunswick Council Is Before Provincial Members

A proposed new constitution was discussed at the opening session of the quarterly meeting of the New Brunswick division of the Red Cross, held this morning in the Church of England Institute, with the president, F. T. Short, in the chair. The principal changes in the constitution provide for the cutting down of the executive from 45 to 10 members, the creation of a provincial council, composed of one representative from each branch, and the payment of all membership fees to the provincial council.

This afternoon the reports of the various committees will be dealt with. Among those who registered this morning were Mrs. D. J. Madden, Campbellton; Mrs. F. E. McLean, Centreville; Mrs. L. Foster and Mrs. D. J. Shea, Fredericton; Mrs. W. C. Allison, Robbseye; Mrs. W. C. Smith, Middle Seckville; Mrs. H. S. Dow and Mrs. J. M. Rice, Marysville; Rev. A. J. Patstone, Westfield; Miss Ruby C. Rankine, Chatham; Miss John O. Everett and Mrs. J. C. Clarke, Plaster Rock; Mrs. H. Harry Bobb, Hampton; and Mrs. L. F. D. Tilley, Mrs. J. H. Doody, Mrs. E. H. Taylor, and C. B. Allan, Saint John.

INSPIRING ADDRESS

The meeting was opened by Rev. J. S. Bonnell, who read a part of the 14th chapter of Luke, gave a short inspiring address and led in prayer. He stressed the ideal of the Red Cross and its challenge to the people of today. It must be kept in mind, he said, that the work was the same as it was during the war, only being carried on in different channels, and this was its challenge to service. Today, instead of caring for the wounded on the battle field they were looking after the health of the community and bettering living conditions.

PRESIDENT SPEAKS

President Short said one of the important matters to come before the meeting was that of the division becoming self-supporting. At present it required \$1,000 a year to carry on the work, and this amount should be raised in the province instead of depending on grants from the central office. Of this amount \$3,000 was for office expenses, \$4,000 for home nursing, and \$2,000 for junior red cross.

The treasurer, R. G. McInerney, reported that receipts for the last quarter amounted to \$46,721 and expenditures to \$1,137.78.

SECRETARY'S REPORT

Miss Ethel Haspe Jarvis, secretary, reported on the work since the last quarterly meeting in June. She gave details of the busiest summer ever spent at the depot by herself and assistant. In connection with the land settlement program 44 letters of recommendation had been written to the 86 families and to the neighboring institutes and branches asking for a friendly interest in the newcomers. These letters were very much appreciated.

Visits made to various places on Red Cross work were told of and interest aroused in the peace-time program of the Red Cross. Since the beginning of the year 16 lectures had been given.

Collection boxes for the sick and disabled soldiers now numbered 2,100. Of this amount, \$1,200, as Miss Jarvis said, the women's institutes, always the strong right arm of the Red Cross, had taken 942. She felt sure the "Armistice returns would be very much worth the effort. The report continues:

LOCAL RELIEF

"A good deal of the time at the office has been taken up in investigating local relief cases. As many as seven applicants have been heard in one afternoon. For this work the Saint John Red Cross has donated \$100 to the divisional office, which, of course, has been a great help with the funds. It is not now the policy to give out civic relief, but the cases have to be referred to the proper authorities. Maternity cases and illness have been cared for by the local branch, and clothing distributed to the needy children, etc.

"Another Red Cross service has been the looking after the selling of the soldiers' work. We feel that the stimulus and interest this given to the men while laid aside is of tremendous benefit. This work has been carried on in a larger scale by the hospital committee at the exhibition.

"We have received donations from Nerepis, Saint John, Beaver Harbor, Central Greenwich, Russiaghish and

He said that the railway facilities from the west to reach Saint John, as well as Montreal and Quebec, provide tourists and ocean travelers quicker transportation and better accommodations than the seaboard from New York.
