

MOORE'S SMASH DECIDING BLOW

Continued from preceding page.

Today he goes to the mound in what may prove his last world series struggle, pitted against a baseball combination that hits often and in every direction, when in proper tune. That hitting has been going on to some extent in the last two games, and has brought the world's series of 1925 to even terms, after the Pirate hopes seemed vanished. The final struggle will be one of mighty bats against a remarkable right arm.

ALDRIDGE MAY PITCH.
"Vic" Aldridge, hero of two tri-

umphs, has volunteered to lead the Pirates in the last battle, and may be the choice, although McKechnie announced after yesterday's contest that either Johnny Morrison or "Red" Oldham, a left-hander, would go to the mound at the start.

It was the consensus, however, that McKechnie would rely on a right-hander, either Morrison or Aldridge. From the south came a hero in yesterday's struggle, a lad known as a capable hitter, but whose fielding was expected to be no better than mediocre. It was "Memphis" Eddie Moore's long smash in the fifth which carried over the left field screen, that gave Pittsburgh its winning run. Moore had been far from a "threat" previously, but yesterday he occupied the sacks every time there was an opportunity, scored the first run, as well as the last, besides fielding well. Alex. Ferguson might well have repeated his Washington performance, but for Moore's four-base shot.

CLOSING RACES OF YEAR AT TOPSHAM

Special to The Times-Star
TOPSHAM, Me., Oct. 13.—The Topsham fair races marking the close of the harness racing season in Maine, and bringing together the best of the campaigners from all over the State, equalled in interest only by the big fair, opened today the first annual event of the Sagadahoc Agricultural Society. The day was cool, track fast and Harry McKenney, of Wakefield,

HAVE DARK HAIR AND LOOK YOUNG

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By adding the addition of other ingredients, all ready to use for 75 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb of soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

DO YOUR CHILDREN GROW FAST ENOUGH?

Are They Sturdy, Healthy, and Strong, or Pale, Weak and Run Down?

Growing children need a great deal of food, and sometimes they need the kind of food that they need for strength—then they become thin. This condition of undernourishment can be corrected by taking Father John's Medicine which does contain just the food elements such children need, and that is why so many children gain weight regularly while they are taking this old-fashioned family medicine.

Father John's Medicine is an expertly blended preparation of cod liver oil with other ingredients in such a way that its food elements can be easily taken up by those who are weakened and run down. Your friends and neighbors know its value. Thousands of mothers depend upon it to keep their children well and strong.

JOE HARRIS STILL LEADING HITTERS

Senators' Outfielder Followed
by Ruel, Smith Carey and
Traynor.

By cracking out a double yesterday, Joe Harris retained his position at the top of the batting heap in the world series but his mark drops from 400 to 354. Even at that he has a lead of over 50 points on his nearest rival, his teammate, "Muddy" Ruel, who remains in second place with 400. Ruel did not come to bat yesterday. Earl Smith is third with 375. Max Carey, of the Pirates, is in fourth place and by smashing out two safeties in four times up, "Pie" Traynor rests in undisputed possession of fifth place with a mark of 363, just 5 points behind Carey. Today's battle will decide it all although just now it looks as though Joe Harris will walk off with the honors. The standing of the regulars, including yesterday's game is as follows:

Why Did This Beautiful Girl Give Up a Fortune?

HERE is the most baffling and sensational motion picture you've
ever seen! It is the first big screen production with spirits, spooks,
table-tappings and seances as its central theme. The newspapers team
with discussion about whether spirits exist or not. And now comes a
film throwing the pitiless glare of truth on the activities of mediums.
It is the amazing tale of a girl medium, a man who uses her to fleece
the wealthy, and of how, through Love, they saw the error of their
ways.

OPERATIONS FOR FEMALE TROUBLES

In Many Cases Unnecessary
These Women Gave Lydia E. Pinkham's Vegetable Compound a Trial First

Alberta Woman's Experience
Provost, Alberta.—"Perhaps you
will remember sending me one of your
books a year ago. I was in a bad
condition and would suffer awful
pains at times and could not do any-
thing. The doctor said I could not
have children unless I went under an
operation. I read testimonials of
Lydia E. Pinkham's Vegetable Com-
pound in the papers and a friend re-
commended me to take it. After
taking three bottles I became much
better and now I have a bonny baby
girl four months old. I do my house-
work and help a little with the chores.
I recommend the Vegetable Com-
pound to my friends and am willing
for you to use this testimonial let-
ter."—Mrs. A. A. ADAMS, Box 64,
Provost, Alberta.

Operation Advised
Sarnia, Ontario.—"After my girls
was born I was a wreck. My nerves
were too terrible for words and I
simply could not stand or walk with-
out pains. I suffered with fainting
spells until I was no longer any good
for my household duties and had to
take to my bed. The doctor said I
should have an operation but I was
not in a fit condition at that time.
My neighbor said, 'Why don't you
try Lydia E. Pinkham's Vegetable
Compound?' I'm sure it will do you
good and will save those doctor's

hills. So I was advised by my hus-
band to try it after I told him about
it. I am very thankful to say that I
was soon able to do my household
and a little washing and also to take
a few boarders for a while as rooms
were scarce at that time. My baby
is 17 months old now and I have not
yet had an operation, thanks to your
medicine. I have recommended the
Compound to a few people and I
know and have told them the good
it has done me. I know I feel and
look a different woman these last few
months and I certainly would not be
without a bottle of your medicine in
the house. You can use this letter
as you see fit as I should be only too
glad for those suffering as I have
done, to know what it has done for
me."—Mrs. ROBERT G. MACGREGOR,
R. R. No. 2, Sarnia, Ontario.

Through neglect, some female
troubles may reach a stage where an
operation is necessary, but most of the
common ailments are not surgical
ones.

Many letters have been received
from women who have been restored
to health by Lydia E. Pinkham's Ve-
getable Compound after operations
have been advised.

In a recent canvass of purchasers
of Lydia E. Pinkham's Vegetable
Compound over 220,000 replies were
received and 98 out of every 100 said
they had been helped by its use.
