

Cure For Colds Put In Practical Form

Convenient, Easily Taken Capsule Contains Full Formula For Relief of Colds.

The drugs that have proved their effectiveness as a relief for colds are prescribed in practically the same formula by all doctors. It has been the work of Grip Fix to put this formula in the safe and convenient form of a capsule, making the remedy an ideal one for home use and giving quick results in even severe cases of cold or grippe. This formula, as every druggist knows, is composed of aspirin, phenacetin, quinine, salicylic acid, eucalypti, camphor and monomelic acid, a combination of drugs particularly efficacious for reducing the fever, relieving the pain in muscles and conditioning the system.

With Grip Fix, the capsule preparation, you can use this remedy with most convenience and least expense, and with decidedly quicker results. A case of cold can be cured in a night with Grip Fix, while that of grippe is mastered in forty-eight hours.

ADDRESS ON CIVICS

"Forms of Municipal Government" was the subject of an address before the Canadian Club at last night's meeting by Dr. Horace L. Brittain, secretary of the Citizens' Research Institute. Dr. Brittain was introduced by A. A. Wilson, president of the club. He dealt with many aspects of municipal government and said that the commission form of government was first introduced in Galveston, Texas, when a commission was formed by the state to take charge of affairs following a flood. Galveston is still governed by a commission. In 1922 there were 1,800 towns and cities on the North American continent governed by commission. The great difficulty, he said, in the town manager system was to get the right man for manager. Tax arrears were most burdensome, he said, and quoted statistics to show that the eastern towns and cities were much better off than those of the west. Tax arrears were between \$5 and \$6, while Charleston was the lowest, with arrears of forty-seven cents per head.

The men's committee for the Red Cross workshop for disabled soldiers, met last evening in the G. W. V. A. rooms with Mrs. Alfred Morrison, Miss Alice Walker of the local Red Cross and Col. S. S. Wetmore and E. H. Scammell of the D. S. C. R. Plans were made for the opening of the shops and ways and means of operation were discussed.

A street car detailed at the corner of Pitt street and King street east yesterday afternoon held up the service on that line for a time.
