THE BEST QUALITY AT A REASONABLE PRICE
Common Troubles Caused by Eye Strain
Many ailments which are a menace to health begin with eye strain. Sight requires that the muscles which control the eyeball and its parts should work constantly. If the shape of the eye is not perfect, the work becomes too heavy and the muscles are strained. This strain causes headache, nervousness, exhaustion, tired, weak, painful eyes. Medicine does not cure. The only remedy is properly fitted glasses.

ACCOUNTANTS OUT WITH FACTS

Results Were so Gratifying From Taking Tanlac He Feels it Would be Selfish Not to Tell About it.

"I began taking Tanlac when it was first put on sale in Edmonton, and I have gotten such splendid results from it that I would feel selfish if I did not let others know about it," said A. C. Crookshank, who resides at 10154 One Hundred and Eighth street, Edmonton, Alberta, while in the city of Edmonton. Mr. Crookshank holds the position of accountant for the Edmonton Public Schools, and is a very popular. Continuing Mr. Crookshank said: "I had suffered for a number of years from indigestion and the other troubles it generally brings on. I had to always be very careful in selecting my food and even at that most every meal would cause severe indigestion and suffering. What I ate would just seem to lie heavily in my stomach, causing a dull, sick feeling, and the fermentation would cause gas to form. The pressure of this gas against my heart would cause palpitation, and I believed for a long time that I had heart trouble. This condition brought on extreme nervousness, and it was very seldom I could get a good night's sleep. After a time all this began to affect my general health, and I became so weak that the least little exertion would completely exhaust me—ever walking a few blocks would tire me out.

"For years I tried to find something that would relieve my condition, but everything I tried failed to give me any relief. When Tanlac was first put on sale up here I didn't know anything about the merits of it, but saw that it was recommended highly by others who had been benefited by taking it, and I decided to try it. It gave me just the results I was looking for, and I am fully satisfied that they are permanent as it has been a long time since I have taken it. I have a good appetite and am bothered no more with indigestion. I enjoy eight or ten hours sound sleep every night and have regained my strength in general."

Tanlac is sold in St. John by Ross Drug Company and F. W. Munro under the personal direction of a special Tanlac representative.—(Adv.)

WOMEN AS ADVERTISERS.
Miss Jane Martin, president of the League of Advertising Women, New York, an advertising manager for a large company, has captured another honor in the business world, through her election as member of the executive committee of the Associated Advertising Clubs of the World. This is the first time that a woman has ever held this important office. The New York delegates to the recent convention of the Associated Advertising Clubs in New York, asked to a man for her election, and when it was accomplished, presented her with a silver loving cup.

With her ten thousand dollars salary Miss Martin has long been known as the highest paid woman in the advertising business.

Nearly Every Girl Can Make Herself Pretty and Attractive

SOME WHOLESOME TRUTHS EVERY GIRL SHOULD THINK ABOUT.

Probably you know just such a girl. Perhaps she is sixteen—good to look at, and pretty—quite interesting because she reflects the grace and charm that give promise of happiness to herself and others. But she is not strong. The color in her cheeks, once so rosy, has faded away—her eyes are listless—the buoyancy of spirit and vigor she once possessed are skilfully lacking. Parents, friends, this girl needs Ferronone—needs it that her blood may be renewed—growth, study and the development of her fresh youth have exhausted. This girl will become a queen with Ferronone—which will restore her color—give brightness to her eyes and vivacity to her spirits. In Ferronone there is endurance—that drives away morning tiredness and languor. For the girl or woman that wants to be happy, healthy, winning—who values rosy cheeks, laughing eyes and abundant good spirits, nothing can compare with Ferronone. 50c. per box, or six for \$2.50. Get it today from any dealer in medicine, or by mail from The Catarrhose Co., Kingston, Ont.
