THE WEEK'S NEWS.

GREAT BRITAIN.

Sir Wilfred Blunt, who is described as a philanthropist and benefactor of Arabi Pasha, was arrested at a proclaimed meeting in County Galway, Ireland, on Sunday. The arrest caused a riot, in which many heads were broken. Sir Wilfred was sent to jail for two months.

Vitrol, boiling tar and red hot iron, are the latest weapons employed by the Irish in resisting eviction. All were used at once on Saturday by Widow Foley, of Ballykerrigue.

Sir Howard Seton Gordon, a Scotch nobleman, has fled to Paris to escape a warrant for rape, the victim being a 14-year old girl. He ought to go to New-Port and chum it awhile with that other ornament of nobility, the Duke of Marlborough.

The unemployed workmen of London paid a visit to Westminster Abbey on Sunday, and broke up the service. Several arrests were made.

On Monday, the Princess Beatrice, gave birth to a child.

Editor Walsh, of the Wexford Ireland People, has been sentenced to two months imprisonment for publishing reports of proclaimed meetings.

The London Times states that England does not intend to evacuate Egypt at present.

It is announced that the government will meet out similar treatment to English as well as Irish agitators.

Gladstone is hopeful of returning to office at an early day. Should he succeed, he will carry home rule for Ireland.

The Royal Clyde yacht club has decided to challenge the America cup in the name of Charles Sweet. The new champion will be a cutter.

The Shamrock base ball club were defeated on Wednesday by the Nationals of this city. The score stood Nationals 4; Shamrocks 1.

Roseline Wilkes, by the N. B. Government's Harry Wilkes, at Kansas City, last week, won a race, making the fast time of 2:20, 2:18 and 2:20, lowering her own record a quarter of a second.

Fred Harmon, the St. Stephen runner, is in England. He is still doing the "green man" act.

A new statue of Abraham Lincoln was unveiled on Saturday, at Chicago.

Heavy gales causing loss of life and property, are reported from the lake region of the west.

There is very little likelihood of success, however, notwithstanding that Robert G. Ingersoll and Benj. Butler have been retained on behalf of the anarchists.

An engineer of the steamship Cromel, named McCullough, was arrested at Galveston, Texas, on Saturday, on a charge of killing a man named Graham. The murder was a most brutal one.

A Boston despatch states that during the past season that New England mackerel catch has only reached 67,249 barrels, whereas three years ago that catch was 389,437 barrels.

An attempt is being made to amalgamate the labor and prohibition parties of the United States, the intention being to run a labor prohibition candidate for President.

Sir Bache Canard, son of the founder of the Cunard line, has brought suit against his cousin Charles G. Franklyn, to recover \$30,000, money left with Franklyn for investment. Franklyn has been arrested.

James W. Chapman, brought an action against the Boston Globe, to recover \$20,000 damages, for an alleged libel. The jury assessed the damages at \$1.

Minnie Brown, of Little Falls, New York, was induced to leave her work by a master workman of the Knights of Labor during a strike, it being promised that the knights would pay her wages while she was idle. They didn't, and Miss Minnie sued them and recovered \$70.67.

A genuine battle took place last week between a posse of vigilantes, and a gang of outlaws on the north fork of the Arkansas River, Indian Territory. Over twenty persons were killed on both sides.

Daniel Roberts, 70 years old, was on Friday last sentenced to imprisonment for life at Lewisville, Kentucky, for a murder committed in 1864. He was arrested quietly after the murder, but escaped from jail and fled the state.

The new monument erected to Gen. Lee, at Richmond, Va., was unveiled on Thursday.

The Illinois Supreme Court is engaged in hearing the case of the anarchists who should have been hanged at Chicago last week.

November 24th, is the date decided upon for the Scott Act election in Charlottetown P. E. I.

Two destructive fires occurred in Montreal on Monday, one partially destroying Mechanic's Hall, the headquarters of the Salvation Army in that city, the other burning eight tenements, leaving twelve families destitute.

Heavy gales have prevailed up and down the St. Lawrence, doing large damage to vessels and destroyed property along shore.

Lt. Governor Dewdney claims a wheat yield of 23 bushels to the acre for the Northwest territory. Oats have averaged 39 and barley 52.

Judge Angers has been appointed Lieutenant-Governor of Quebec, to succeed M. Masson, whose term of office has expired.

The body of Peter Doyle, a farmer of Musquodibit, N. S., has been found. He is evident that he has been murdered.

The Hespeler Woolen Mills at Hamilton, Ont., has been shut down because of financial embarrassment.

Three suits of \$50,000 each have been commenced by Montreal aldermen against the Star newspaper. The total of the suits already pending against the Star is more than \$200,000.

A fire caught in the coal sheds of the C. P. R., at Hochelaga, on Saturday and is still burning. Over 200,000 tons of coal have been destroyed.

The number of immigrants into Canada for the nine months of 1887 is reported as 117,000 as against 92,000 for 1886.

Maggie Blanchard, four years and six months old, and weighing 145 pounds, passed through St. John on Saturday. She was born in Newfoundland.

Large potato shipments are now being made by the International Steamers.

Over 10,000 barrels have been sent away in two weeks.

The Paradise Row branch of the street railway was opened on Wednesday.

The widow Greer, her son William, and adopted daughter, who lived near Clearwater station, on the Northern and Western railway, lost their lives through the destruction of their house by fire, Sunday evening last. John Greer, 18 years old, escaped through a window.

Mayor Thorne has forwarded the jubilee souvenir to the secretary of State, to be sent to the Queen.

A Prince Edward Island lunatic has been arrested in Moncton. He told the magistrate he had got a number of St. John people to take stock in a subway scheme. His proposal is to connect P. E. Island with the mainland, on a plan somewhat similar to an old fashioned wooden sewer.

Andrew Moore, a baker, doing business for the past twenty years on Main street, Portland, died suddenly on Monday.

A fancy dress ball, at the Brunswick, Sackville, last week, gave the belles of the neighbourhood an opportunity to display their taste.

James Sterling, a member of the Rogers gang of horse thieves, has been arrested at Fort Fairfield. The Rogers gang operated extensively in Maine, and after each raid escaped across the line to New Brunswick.

Over 13,000 carcasses of lamb have been exported from this city to the Boston market so far this season. The export of lamb averages 400 carcasses a week.

A Salvation Army captain, named Hudson, is to sing at Mount Allison, for the Methodist ministry.

The horse cars did a larger business on Sunday, than any day since they started.

Buffet cars are now run on the New Brunswick railway.

There was good sleighing at Campbellton on Wednesday.

A special to the Sun from Bathurst says: Grave diggers at Bathurst a few days ago came to a coffin which, when accidentally opened, revealed the body of a woman turned over on its side. The right arm of the corpse was above its head, and the left hand on the head, as if in the act of pulling at her hair. The body was recognized as that of a woman buried several years ago. She had evidently been buried alive.

About \$70,000 has been expended in Moncton in building operations during the past year. The expenditure is largely in dwellings.

An effort is being made to establish a steamship line between Halifax and Japan.

It has been decided to continue the Haven for fallen women, and at a meeting on Friday, directors were elected to the past year. The officers are: President, The Missionary Institute; Secretary, The Methodist Conference; Treasurer, The Methodist Conference; and Auditors, The Methodist Conference.

The scale of appointment to missions in this conference is for salaries: \$800 for city missionaries, \$750 for country missionaries, and for probationers \$400. Grants made by the committee so as to make the salary of each missionary \$415 with house rent, removal expenses, and children's claims additional—this being \$61 more than obtained last year.

The government analyst reports that 40 per cent of the spices examined in St. John, were impure.

The "Old Boys" club of the Collegiate school of Fredericton has decided to allow the old girls of the organization to join. At the first meeting a number of ladies joined, and one was elected secretary.

The St. John county teachers' Institute, commenced its session on Thursday, and continued Friday.

Charles Gibbons and Perley Wetmore, employees in Jewett's mill, Millville, were badly injured on Wednesday evening, by the explosion of one of the boilers.

The anniversary service of the Church of England in St. John took place in St. Paul's church on Friday.

An Indian named Sulina was found dead on the Southwest Miramichi, last Saturday.

Jacob Mullin, a farmer, 80 years old, who lives on the Northwest Miramichi River, was found dead in a field near his home last week.

The N. V. C. T. Union has passed a resolution in which they place themselves in opposition to the running of horse cars on Sunday.

The first locomotive for the Central Railway left the Phoenix foundry, in this city on Wednesday.

SPORTING.

Fred Scott defeated Joseph McNamara in a 125-yards dash, at Moose Path Park, on Tuesday. Scott's time is given as 11 1/2 seconds. McNamara wants to make another race for from \$200 to \$500 a side.

The Court house at Amherst, N. S., was destroyed by fire on Saturday evening last. The records of the county were saved.

J. B. Rolland, has been appointed to the Senate in the room of the late Senator Seneca.

M. Girouard, has been gazetted Solicitor General of Quebec.

A man named Moran, was murdered on St. Andrew's wharf, Quebec, on Sunday night last, by drunken sailors it is thought.

Sir Charles Tupper is campaigning in Cumberland. His first speech was delivered on Tuesday, at Amherst.

Walter Hart was fatally shot while gunning at Guysboro, on Monday.

Robicau, the defeated candidate in the recent Dominion election for Digby county, has been re-elected to the local house of Nova Scotia.

The Montreal street railway company, has paid its stockholders 14 per cent in dividends, out of the past year's savings.

Madame Joly, mother of ex-premier Joly, of Quebec, died at Montreal on Tuesday.

Miss Brown, of Pictou, N. S., who attempted to recover \$1,000 in a slander suit brought against A. W. Fraser and R. S. McCurdy, got a verdict for \$1.

A man named Wright who assisted in breaking up an illicit still near Halifax, has brought suit against a revenue officer to recover the informer's fee.

At Kingston, Ontario, Wednesday, one man was sentenced to 21 years penitentiary and another for life for arson.

It is stated that the experimental farm for the Maritime Provinces will be located in Cumberland Co., N. S.

A new paper is about to be started in Toronto and one has just died in Montreal.

There is a lively prospect ahead in Peterboro, Ont., where an attempt is being made to enforce the Scott Act.

Fifty-seven per cent of the coffee examined by the government analyst at Halifax, was found to be adulterated.

Postmaster General McLellan has been re-elected for Colchester County, N. S., by over 700 majority.

Thomas Robertson, M. P. for Shelburne, N. S., has been unseated for bribery by agents.

PERSONAL.

Robert Garret, the son of the great Baltimore railroad man, has gone to Mexico for a vacation. Robert has succeeded to his father's fortune, but not his brains.

Jay Gould leaves Europe next week. His yacht goes to Gibraltar, where Mr. Gould will board her for a trip up the Mediterranean.

Max O'Rell and his wife will reach New York early in November.

The Duke of Marlborough's clothes have been much admired. He now numbers a suit for damages among his wardrobe.

Joaquin Miller has had a vast amount of trouble in his domestic affairs. Not long ago his favorite daughter married an actor against her father's will, and now "Hal" Miller, a son of the famous poet, is in jail in Nevada City for horse stealing. "Hal" is a young fellow not yet eighteen years of age. He offers another illustration of the fact that his father's life has been one of excess and revenges.

Prof. McKnight, had one of his legs broken by falling from a railway car at Campbellton, on Wednesday.

Mr. Henry Norman, assistant editor of the Pall Mall Gazette, who is making a tour of the British Colonies, was in St. John on Saturday. He came in the morning, and left at night.

Sir Ambrose Shea, and Lady Shea, were in St. John on Sunday last. They left for New York Sunday evening.

OBITUARY.

Joseph B. Peck, clerk of the Westmorland County Court, died at Dorchester on Saturday night, from pneumonia. He was born in Hopewell, Albert County, in 1827, and was called to the bar in 1858. At one time he was a partner of the late Sir Albert J. Smith.

Hon. E. B. Washburne, ex-congressman from Illinois, and ex-U. S. Minister to France, died at Chicago, Saturday. He was a native of Maine.

GENERAL.

Stanley is still alive, and progressing towards the heart of Africa.

President Diaz is to continue the chief magistrate of Mexico, the constitution having been amended to enable a president to hold office two consecutive terms.

It has been decided that the New Hebrides shall be under the joint protection of Great Britain and France, and that France shall evacuate military ports.

Germany, Austria and Russia have signed a convention to preserve the neutrality of the Suez Canal. England and France have not yet been heard from.

Fighting is still going on in the Soudan. A number of British were rescued from Egyptians at Wady-Halfa recently, with great loss to the former.

Several persons perished by the explosion of a steam boiler at Dunkirk, France, on Wednesday.

Russia is getting ready to fight France, and France is prepared to go to war with Germany. It is a prospect of lively times in Europe before the winter is over.

China has made a contract with an American firm for \$3,000,000 of war material. It is also proposed to establish an American bank in China immediately.

Invariable Indications.

If you have Sour Stomach, Heartburn, Sick Headache, rising and souring of food, wind in the stomach, a choking or gnawing sensation of the pit of the stomach, then you have sure indications of Dyspepsia, which is Bad Blood Bitter, and will surely cure. It has cured the worst cases on record.

Messrs. J. & A. McMillan have just issued a school Natural History, by Prof. Bailey. The work is as well written, as well printed, as well bound and as well illustrated as any imported school book. Messrs. McMillan are deserving of the highest praise for the excellence of the work.

Among the Indians.

"While my husband was trading in furs he came across an Indian who was taken to his lodge to die. He had inward pains and pains in his limbs. He gave some Yellow Oil internally and applied it externally, and cured him. It also cured my husband of rheumatism, and I find it valuable for coughs and colds, sore throat, &c." Mrs. A. Besaw, Cook's Mills, Serpent River, Ont.

A Cure for Deafness.

There have been many remarkable cures of deafness made by the use of Haygard's Yellow Oil, the great household remedy for pain, inflammation and Soreness. Yellow Oil cures Rheumatism, sore Throat and Croup, and is useful internally and externally for all pains and injuries.

Beyond Dispute.

There is no better, safer or more pleasant remedy than Haygard's Pectoral Balsam. It cures Hoarseness, Sore Throat, Coughs, Colds, Bronchitis and all throat and lung troubles.

Multum in Parvo.

There is much in a little, as regards Burdock Blood Bitters. You do not have to take quarts and gallons to get at the medicine it contains. Every drop in every dose has medical virtue as a purifying, system regulating tonic.
