FREDERICTON GLOBE.

Fredericton Globe.

John under the care of Dr. Steeves. The better, for it is just possible that issues may picture on when ye'll have to come round

begging for an incumbent through the shall find out and make note of. olumns of an inspired journal of the Province of Quebec-an office once filled by such men as Sir Wm. Colebrooke, Sir Edmund Head, Hon. Manners-Sutton and Sir Arthur H. Gordan, from England. To say nothing of our local celebritiesthe Wilmots-and last but not least the won their spurs through dint of great ment trying to bring about a trade treaty political service. And it is to be hoped that there will be no falling off in the qualification of the next incumbent. But up to this time no name has been mentioned by the glib tongue of humor, that "fills the bill," unless it be the Chief Justice, or Judge Fraser, either of whom it is our opinion would be acceptable to the people of this province—that is if either would find it to his interest to accept But this idea of bandying names from time to time in the newspapers is exceed—time to the policy of political service. And it is to be hoped with Spain and Canada, without the

with caudidates for seats—but in the agree this, and has his mind fixed more upon the concerns of the part world.

even ten thousand? The sessional allowance is therefore no consideration with caudidates for seats—but in the agree this, and has his mind fixed more upon the concerns of the part world.

even ten thousand? The sessional allowance is therefore no consideration with caudidates for seats—but in the agree that it has been going on, until the place, which before was used for the purpose of removing the waste and of introducing the waste and of introduc upon the concerns of the next world, now, and in a year or two, it will be \$2, the material necessary for construction tractions and crookednesses of a moribund enough in the Houss to resist any such government, whose days are numbered. encroachment upon the public purse.

If those assassins think they can manage to stuff Sir Leonard in so tight a place,

ginning has had his domicile in Fredericton. Whether he is required to be on

PRUNING THE TREES.

A great improvement is noticeable in the work done lately in the way of prunng the trees lining our streets, which will ast for some years. Had not the fathers

we have in summer time to be admired, and yet there are some who would lay late years has made wonderful strides. It has got so now that photographs can be relve months, at the instance of persons artist sadly; "somebody got into my shop toward the south. A living Japanese Return St who took exception to them, or thought last night and took all the photographs will never sleep in that position. In of these trees they injure private as well as public property and that every citizen has an interest in them. The please true is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the tree is in a state of set up is that the compass is pasted upon the ceiling for the benefit of timid guests.

Charles Kenny, a journalist, dining once at the house of a friend, chanced to

decay and forthwith permission is granted as to where a certain picture of the result being a severe fit of coughing.

All old Scotch servant of the result being a severe fit of coughing.

But this idea of bandying names from time to time in the newspapers is exceedingly reprehensible and nauseaus, and engaged in to bring about Imperial Feding and impassive.

time to time in the newspapers is exceedingly reprehensible and nauseaus, and it is to be hoped that there will be good sense enough in the appointing power to take no heed of such species of beggary, or rather snobbery.

But after all is it not high time that Sir Leonard Tilley's successor were appointed, unless Sir Leonard is to be his own successor, to which we do not object, and serve for another term? The office became vacant last October, (if we remember correctly,) nearly a year since! Why is it kept unfilled for another five year's term, and thus keep aspirants upon the tenter-hooks of expectation, to result in great disappointment to those who really believe that they are already in possession, because their names have been with out as served as power and the session, and that the members could earn much more by staying at heaven and strangle to say that the pean with out as served as power and the session, and that the members could earn much more by staying at heaven and strangle to say that the pean with out as selected and no containing about Imperial Federation or rather fad-eration, becomes "Who did that?" inquired his Majesty in a passionate tone.

"Who did that?" inquired his Majesty in a passionate tone.

"Idid," said the youth; "that cue is always awry; I put it straight down the middle."

"Why, you scamp, couldn't you do it without pulling so hard?" And there the matter ended.

Eaplat Transit in the Bewels of the Earlish.

The Greathead system of tunnelling places the tunnel so far below the surface of the streets and houses that the land coccupied by it is of no value practically, and but of nominal value theoretically. There is no warehouse in any large city the cellars or foundations of which go 60 feet below the surface of the street.

The very depth at which the work procession are already in possession, because their names have been over the third passionate tone.

"Idid," said the youth; "that cue is always awry; I put it straight down the middle."

"Why, you scamp, couldn't you do it
