-A Number of Accidents,

# TO BE FOUGHT ON FISCAL QUESTION

# **ENGLISH BYE-ELECTION** ATTRACTING ATTENTION

## Canadian Team for Bisley Reaches London-Competition for Morgan Combine.

Montreal, June 30 .- The Star's London cable says: "The bye-election campaign in Barn-ard division, Durham, made necessary through the death of Sir Joseph Whit well Pease, is attracting a great deal of attention. For the first time the fiscal uestion will be tested at the polls. The subject of colonial preference is ing more attention than the most pres ing domestic questions. 'Remember Can ada!' is the favorite campaign cry' interest, announced his position as folr lows: 'I deprecate most strongly retaliatory measures associated with preferen-tial proposals.' Col. Vane, Unionist can-

London fo-day from Liverpool. Colonel Sherwood, Capt. Monro and the men are receiving the heartiest welcome, and are looking forward to the meeting with great hopes. King Edward himself expects to be present on Palma Trophy.

"The Cunard Steamship Company will Steamship Company, C. P. R. Steamship Company and the Cunard Steamship Company are forming a new conference to fight the Morgan lines. Trade with the United States, both inward and out ward, is backward at present, while Canadian trade is booming."

## THE NEW GOLD FIELDS. Number of Kaslo Citizens Return With Stories of Rich Find.

Kaslo, B. C., June 30 .- A number of Kaslo citizens returned from the Poplar creek gold fields early this morning, and ate soldier to say that they are an enthusiastic

crowd is putting it mildly. "Have we got the goods," said T. Palmer. "We have got the world by the heels. Look at that," as he exhibited a piece of rock with gold stick ing out of it. "One half has not been told. We are going to wait for the road to open up and them we will decide, but you can rest assured that we will be heard from before many moons. I went along Marquis and Gilbert's lead and broke off pieces of rock for 30 feet. and found gold all through the rock. Right across the creek Larson and Mangenson have three claims. They have a lead with gold particles sticking out a. lead with gold particles sticking out in plain sight all along the lead. The cartoon in the Spokesman-Review 'of Saturday, which says the hill is gold 'ff' Saturday at the saturday of the state organization. A few did this, and the japanese gov-Jarott's collar bone was broken, and have his charder as an anginer as a state and have his carried as a state and have his carried as a state and have his carried as a state and the state as a state and have his carried as a state and have his have his carried as a state a

Fine. I tell you some of those women made the men sit up, and they have some splendid showings." "Have I any ore with me? Yes, I am having some assays made. The lead is well defined and the world will hear.

from Poplar creek. One half has not been told." Colonel W. Brayton, manager of the Handy group, on Lynch creek, on be-ing interviewed, said: "News? Weil, I could have given you plenty of infor-mation about the Poplar Creek district last fall, but would not believe me I told you, and my people were anxio to prospect the ground before giving such great finds publicity. The Marquin Gilbent strike was duplicated last fall by Smith and Rogers, on a group on the same ridge, only nearer to Ten-derfoot. What have we got? Well, I will tell you. We have forty-one claims and on every one of them we can show you ore that would ordinarily set a novice in mining crazy; but we have novice in mining crazy; but we have honestly got used to big assays that we are becoming hardened. No, sir, there have been no exaggerations. Do not rai nway with the idea that you can find a nor find is and the below, and also of the writers of the mining the testivery valuable claim without an effort! The goods are there far beyond the realization of the most vivid imagination. but they have to be uncovered. About everything you need can be had here at Kalso and at right prices."

# EIGHT KILLED

# Farmer and His Two Daughters Among Those Who Perished in Tornado.

Wilder, Minn., June 30 .- A tornado passed over this place to-night killing eight persons and doing much damage to property. The storm first struck the ranch of Dr. Wester, destroying all the farm buildings. From here the tornado furned eastward, taking everything in a path forty rols wide and about eight miles long. At the farm of Daniel Gal-lagher, all the buildings were demolished ed and Gallagher and his daughters Elia and Nettie were killed. Five other per-sons are believed to have been killed. farm buildings. From here the tornado turned eastward, taking everything in a path forty rols wide and about eight

Mad Mullah Lost One Thousand Spearmen-The Operations of Allies. London, June 30.-The war office to day received a dispatch from Col. Rich ford, one of the British officers serving with the Abyssinian forces in Somaliland, which says the Abyssinians, o

SURPRISED BY ABYSSINIANS.

May 31st, after a series of forced march-es, struck the Mad Mullah's forces near Jeyda, surprising them at dawn and Jeyda, surprising them at dawn and killing 1,000 spearmen and capturing almost all their cattle and sheep and 1.000 Col. Richford adds that the Abyssin

Mullah all the watering places south of the Gerlogubi-Galadi line; and be nopes they will soon be in contact with the British forces, and be able to co-operate in the pursuit of the Mullah, who delayed in his movements by the fact that he is crossing a waterless part of the coutnery.

THE RACING YACHTS. erican Boats Sail Over Course t

### Windward-Slight Mishap to Challenger.

Bateman's Point, R. I., June 30 .- The three cup yachts Reliance, Columbia and Constitution started at 11.46 to-day over ada! is the favorite campaign cry of those in favor of extending preferential treatment to the colonies. Henderson, who is confesting the riding in the fabor interest, announced his position as forlast. The Shamrocks.

New York, June 30.—(By wireless telegraphy.)—The Shamrocks started at 3.06. Fifteen minutes after crossing the line the iron which held the challenger's the two others. Many were unconscious, and had to be carried from the work-ings. Some were mjured, but none fatally. Two hundred and eighty-two main sheet to the deck gave way and her sail was lifted, and she headed for Sandy this morning, and up until a late hour to-Hook under her jibs. Shamrock I. followed her. The accident was not seri-lowed her. The accident was not seri-ed for. Of this number, two are dead. was abandoned.

# ANOTHER LYNCHING.

Victim Was Negro Suspected of Murder -Four Others Beaten Into Insensibility.

Norway, S. C., July 1.-Chas. Evans, olored, suspected of the murder of John L. Phillips, was taken from the jail here last night and lynched by a mob. Four negroes who were confined in the jail also were taken by the mob, and beaten into insensibility. Evans is alleged to have murdered ate soldier.

# GOOD WEATHER

For the Big Yachts Now Racing Off Newport. Bateman's Point, July 2.—For the first time since the 90 footers began their con-tests off Newport the early conditions Ito-day gave promise of excellent racing

weather IN PORTSMOUTH HARBOR.

During Visit to English Channel.

"The square peg in the round hole" figuratively expresses the use of means 'unsuited to the desired end. A great many people who have been cured of many people who have been cured of dyspepsia and other diseases of the stom-ach and its allied organs of digestion and mutrition by the use of Dr. Pierce's Golden Medical Discovery say: "We tried many medicines with only temporary benefit. It was not until we began the use of 'Golden Medical Discovery' that we found a complete and lasting cure."

\$3,000 FORFEIT will be paid by every testimonial among the thousands which they are constantly publishing,

thus proving their genuineness. thus proving their genuineness. "It is with pleasure that I tell you what Dr. Pierce's Golden Medical Discovery and 'Pellets' have'done for me," writes Mrs. T. M. Palmer, of Peede, Kaufman Co., Texas. "Two years ago I was taken with stomach and bowel trouble. Everything I ate would put me in distress. I lived two weeks on milk and even that gave me pain. I felt as though I would starve to death. Three doctors attended me-one said I had dys-pepsia, two said catarrh of the stomach and bowels. They attended me one at a time) for one year. I stopped taking their medicine and tried some patent medicine; got no better, and I grew so weak and nervous my heart would futter. I could not do any kind of work. Now I can do my house work very well; am goining in fich and strength, and can eat anything T want."

WILL VISIT VICTORIA

## Annual Session of Washington State Press Association Will Be Held Here.

The Washington State Press Association has this year accepted an invitation from the commercial bodies of Victoria, the evergreen city of Canada, to hold its seventeenth annual session in this city. The time has been fixed for August 25th

The executive committee will soon meet to prepare a programme and complete arrangements for what is hoped will be one of the largest attenued and most fruitful in its results of any of it state conventions. The association will rendezvous in Seattle on Monday, August 24th, and go by steamer the following morning to Victoria. Besides the business sessions there will be many enjoyable social features.

During past years, through the contact of bright minds and interchange of valu-able thought, the Washington State Press Association has been of incalculable benefit to its membership. It has been an inspiration that has brought forth a fraternal feeling and a spirit of helpfulness that argues well for the present and future advancement of the newspaper profession in the prosperous
