A WILD BULL  
Caused Some Excitement at Indian-  
town.

Yesterday afternoon a good deal of excitement was caused at the Star line warehouse by a bull which was brought from Gagetown by John McGrath. The steamer's hands had considerable difficulty in getting the animal aboard the boat at Gagetown. But the climax came when the boat arrived at Indian town. The bull was taken ashore by David Corkery, who endeavored to keep it within bounds by a rope fastened about its neck. On reaching the shore of the warehouse the beast became unmanageable. It dashed furiously into the street, dragging Corkery after it through the mud. Bystanders scattered in all directions, but Corkery was game and retained his hold upon the rope. Finally the animal brought up in the May Queen warehouse, and by order of Officer Henry was killed and removed from the warehouse by Mr. McGrath.

L. C. R. POSITIONS.  
MONCTON, N. B., May 16.—More rumors affecting the intercolonial staff are current, one is to the effect that General Storekeeper C. R. Palmer, an appointee of the present government, will be replaced shortly by Frank Taylor of Hillsboro, a prominent liberal worker in Albert Co. Mr. Palmer was an appointee of the present government, but is not particularly friendly with liberals now in the ascendant here. Another rumor is that Harry Atkinson, barrister, now of British Columbia, is to return and take the position of paymaster, vacated by the death of Mr. Atkinson. Atkinson was former liberal organizer here and is a brother-in-law of the minister of railways. Still another rumor is that Charles S. McCarthy, engine driver, is to be appointed air brake inspector in place of W. Cooke Hunter, who left recently on the instruction car for St. Louis.

WELL KNOWN HERE.  
Officers and Men of Steamer Micmac  
Honored for Bravery.

Str. Micmac, which arrived at Grindstone Island from New York on the 12th, began that afternoon to load deals for the U. K. The following paragraph taken from the Maritime Register of last week as to this steamer, which is owned by the Carmichael concern of New Glasgow, will be read with interest, as the owners, captain and vessel are well known here: "Capt. Colin Fraser and First Officer John D. MacKenzie of the str. Micmac have received gold medals and sailors O. Nilsson, Nils Ingvaldsen and Giuseppe Ortland received bronze medals for saving the crew of the schooner Willie L. Newton, which was abandoned at sea in February last. The medals, etc., were presented by the New York Life Saving Association."

E. G. EVANS RESIGNS.  
E. G. Evans, who was the manager of the late Central railway and who has since given general satisfaction as manager of the new concern which has operated the line from Norton and Chipman and then to Minto, under the name of the New Brunswick Coal and Railway Co., tendered his resignation to the new organization recently, which will take effect in a few weeks. It is understood Mr. Evans will remain in New Brunswick all summer and after that he will leave for the United States to accept a position there.

## Tortured with Pain. Too Weak to Work.

ULCERS, BOILS AND PIMPLES  
ALL OVER HER BODY.

Such was the condition of Mrs. Samuel Deitz, Zurich, Ont.

She happily found relief from her terrible suffering by using

## Burdock Blood Bitters.

A remedy without a rival for the cure of all diseases and troubles arising from bad blood. A record extending over a quarter of a century and thousands of testimonials will prove this. Mrs. Deitz writes: "Too weak to work, tortured with the pain of ulcers, boils and pimples all over my body, especially on my face. I had almost made up my mind to give up trying to have them cured. I was ashamed to have any person come to see me, my face was in such a terrible state. I tried everything I could think of but got worse and worse. I was then led to try Burdock Blood Bitters and was surprised at the wonderful change the first bottle made. Altogether I took seven bottles and am now completely cured and am in perfect health again. I feel that B.B.B. saved my life."

CALLED TO ST. ANDREWS.

Unanimous invitation to Rev. David Laing, of Bedford, N. Y.

Rev. David Laing, of Bedford, New York, has been called to the pastorate of St. Andrew's church. The call was the unanimous action of a large meeting of the congregation last night.

Recently Rev. Mr. Laing occupied the pulpit of St. Andrew's for two Sundays, and his speedy call shows with what approval. If he accepts the call his induction may take place in a few weeks.

Rev. Mr. Laing is a native of Canada, having been born in Windsor twenty-nine years ago. He completed his education at Edinburgh and New York.

THE "WAR EXTRA" IN JAPAN.

The Japanese press is showing a rapid evolution toward Western models. The events of the present war are responsible for "extras," which are sold in the streets by newsmen, or rather newsmen, in true American fashion.

The newsmen are bare-headed, with a tengu, or sort of napkin, around the head, and a small bell at the belt, which rings as they run. The special news supplement, or "extra," is known as the gogwai. The text in a Japanese newspaper, or any other periodical, begins at the first line at the head of the right column and reads down. The first line gives the name of the paper, its date, the price, postal instructions, etc.; the second line, the "catch heading" of the extra. The reading is done vertically, just as in the title.

The interesting, and significant portions are emphasized by black points at the side, which serve the purpose of large type or italics. From "What the People Read in Japan," in the American Monthly Review of Reviews for May.

AT THE OPERA HOUSE.

The entertainment given by the City Cornet Band at the Opera House last night was well patronized, most parts of the house being quite full. Eustache Baudin is a powerful performer, and the players last night put a great deal of force into their acting. The whole production was a finished affair, and the audience showed great appreciation of the efforts of the actors.

P. M. O'Neil in the title role did good work, and J. Gerald in the impersonation of Mons. Pancelot was very pleasing. Of the ladies, Miss H. O'Reilly deserves special mention, her acting being quite above the usual amateur standard.

FERRY BOAT CONTRACT.

That St. John will in due time be able to boast of a fine steel ferry steamer is now guaranteed. At the City Hall last night the contract between the city and the Messrs. Fleming was signed, and already work has reached St. John to the effect that the builders of the hull at Toronto, the Bertram concern, have this portion of the vessel, the hull, well under way.

At last night's meeting there were present Mayor White, H. J. Fleming, Geo. W. Fleming, Recorder Skinner and A. Barnhill. The recorder having agreed to the contract, the necessary signatures were given, and now the whole business is being prosecuted with greater dispatch. The contract price for the boat is \$80,000.

A NARROW ESCAPE.

Last evening about eight o'clock Howard Holder, Daniel Higgins, Chas. McKinnon and Reuben Higgins were sailing in a yacht from Pleasant Point to Indian town, when a narrow escape from drowning.

When about half-way across the bay, the yacht was struck by a squall and upset. All four men were thrown into the water, but managed to hold on to the yacht until Captain Leonard of the Indian town and Lancaster ferry, picked them up. The yacht was taken in tow and brought to Indian town.

FREDERICK NEWS.

The recent heavy rains have stopped the fall of water at Frederick and up river points, which has retarded the work of getting out the logs. Some of the operators have called back the men who had been discharged.

The old man, Chetley, who was lately assaulted by Ford Ryder and was in a dangerous condition, is reported to be improving.

POLICE ROW IN MONTREAL.

MONTREAL, May 16.—The police force here appear to be very much dissatisfied with the way Chief LeGault has been managing police affairs. Recently the chief complained of some of his officers being incompetent and drinking when on duty. This enraged the men, who have petitioned the city council for an investigation of the chief's charges, and the chief's dismissal should they be proven false.
