

PROVINCIAL NEWS.

FAIRVILLE, March 25.—The road men cleared out the gutters this morning on Main street, so that our principal street would not be totally flooded before our eyes.

The sale last evening in the Methodist church, while not as well attended as the first evening, was a decided success. About \$50 was realized altogether from the sale and the ladies are to be congratulated.

The choir of the Methodist, Baptist and Presbyterian churches are getting up their new Easter music. The Presbyterian choir has been reinforced by the addition of two prominent singers who practiced with the choir for the first time last evening.

Miss Pidgeon taught her grade in the public school yesterday after having missed the first three school days of the week through illness.

Mrs. O. D. Hanson was very ill again yesterday.

SUSSEX, March 25.—The ladies of Church Avenue Baptist church held a very successful supper and sale of work and candy on Thursday afternoon and evening. The supper being served from 5 to 8 o'clock. The work and candy stalls looked very pretty and the public showed their appreciation of the excellent work, both plain and fancy, by nearly clearing the stall quite early in the evening. The work was mostly done by the ladies of the church sewing club, who met here twice a week. Over \$100 was cleared.

John Knoakes was arrested at the Chignecto coal mines on Thursday by Constable Wm. McLeod of Sussex, and Policeman A. McDonald of Amherst, for forgery and obtaining goods under false pretences at the store of C. F. White, Point Wolfe, and was brought to Sussex this morning. Knoakes was taken before the stipendiary magistrate who remanded the prisoner until Thursday, the 31st, at 10 o'clock, at the request of H. H. Farley, who appeared for the complainant.

Trouble arose at the Royal Hotel here between the proprietor and some of his guests, which resulted in the stipendiary magistrate being asked to adjust.

G. S. Moore has returned home from his Mexican trip.

GRAND MANAN, March 20.—Last Sunday at Grand Harbor there were two funerals in the afternoon. Walter Cheney's, conducted by Rev. A. M. McNinch, from the Baptist church, and a little ten-year-old daughter of Capt. John Howell, from St. Paul's Anglican church, Rev. Dr. Hunter, rector.

Mr. Cheney, who went to the Massachusetts General Hospital a few weeks ago for treatment, died there on the 15th inst., and his body was brought home for interment on the 18th inst. He leaves a large family. Much sympathy is expressed for both the bereaved families.

On the same day Rev. A. M. McNinch baptized three converts by immersion in the waters of the harbor, a fitting ending to his series of revival meetings.

Capt. Wm. L. Kent of Woodward's Cove, an old and honored resident of the island, died of paralysis on the 15th inst., at the age of seventy-seven. He was a member of the Masonic fraternity and the members of that order on the island marched to the grave and after the beautiful burial service of the Church of England the Masonic service was read at the grave, Rev. Dr. Hunter, rector of the island, conducting the church service and Rev. A. M. McNinch the Masonic service.

There died at the residence of his daughter, Mrs. Welsley Winchester, at Castalia on the 15th inst., Simeon Cheney, an old gentleman, nearly ninety years of age, of whom the late Professor Baird of the Smithsonian Institution of Washington, D. C., said, that he was the greatest naturalist that he had ever met. A man whose knowledge of birds of all kinds making their homes on this island and the surrounding reefs of ledges was well known and limited. The cause applied to fishes. His residence the most of his life was on Nantuxet Island, a beautiful little isle lying off Woodward's Cove. Here he was visited by many naturalists of note and other scientists and is known to all the men and the gales they represented. All his knowledge of the habits and homes of birds and fish was the observations of a life there with a love for nature and her mysterious ways and all learned about his island home, Grand Manan.

Rev. A. M. McNinch has closed a very successful series of revival meetings at Grand Harbor and will after a brief rest commence labor at North Head Free Baptist church.

Rev. Dr. Hunter has closed his week's course of Bible talks to his Bible class at North Head and will next week commence a week's course of Bible classes at St. Paul's church, Grand Harbor. These talks on the Bible are most edifying and instructive.

TRYING TO SETTLE.

HALIFAX, N. S., March 25.—The P. W. A. sub-council met at St. John's today to consider the dispute between the freemen at Dominion No. 2 and the management of that colliery. They held a session until after 10 o'clock tonight.

Forty delegates were present, representing various lodges in Cape Breton. The question at issue was carefully considered. Finally a resolution was drawn up embodying a proposition which will be submitted tomorrow to the Dominion Coal Co., for his approval or rejection. The nature of this proposition Grand Secretary Moffat refused to disclose, but it is understood that one of its stipulations calls for the resignation of the freemen and that work of carrying out ashes, which give rise to the grievance, be imposed upon helpers as heretofore. The alternative given Mr. Duggan to discuss the proposition with the executive of the sub-council, otherwise he has only to refuse to accept it. A refusal will mean a general strike, involving probably all the collieries in the county. The freemen, however, are in evidence, together with the steel company at Sydney. None of the delegates, however, entertained any fears that they would be forced to resort to this measure. The trouble arising about a week ago owing to an order from the management requiring freemen to cast ashes out of the engine house, had a brief encounter with the men before. Refusing, they were ordered to quit work, when their places were supplied by foreign labor.

DIED AT WOLFVILLE.

Many persons in St. John will read with regret of the death at Wolfville, N. S., of Miss Mabel Kearney. For a number of years Miss Kearney lived in St. John and was an active member of the Queen Square Methodist church. About five years ago she went to Wolfville to take a course at Acadia Seminary, but, owing to ill health, unable to do so. She never fully regained her strength and has for the last three years been an invalid. A bright, cheerful girl, with a strong desire to live and to help others, she died at her home in St. John, she had made friends who were interested in her and who will feel sorrow at her early death.

The Battle Line Drift, Capt. Mulcahey, arrived Saturday at Yokohama from Hong Kong.

Digestive System Is Deranged.

AT THIS SEASON OF THE YEAR—HIGH LIVING AND LITTLE EXERCISE BRING ON DYSPEPSIA AND OTHER TROUBLES.

Disorders of the digestive system are not uncommon at this season of the year. In cold weather there is a danger of overeating, and a tendency towards the excessive use of highly seasoned food and stimulants.

The result is much suffering from indigestion, liver and kidney derangements, and constipation.

It is not difficult to understand how promptly and effectively such disorders are overcome by the use of Dr. Chase's Kidney-Liver Pills, this great family medicine would be even more popular than it is today.

Unlike any other medicine, these pills have direct and combined action on kidneys, liver and bowels, and for this reason reach and cure the most complicated ailments.

Dyspepsia and biliousness, liver complaint and kidney diseases, stomach troubles and constipation, backache and headache disappear in wonderfully short time when Dr. Chase's Kidney-Liver Pills are used.

By assisting the kidneys in eliminating the poisonous waste matter, by helping the liver to filter the bile from the blood, by regulating the bowels, Dr. Chase's Kidney-Liver Pills prevent and cure the most painful and fatal diseases known to man.

Mr. P. K. Knudsen, a broommaker, 588 Main street, St. John, N. B., writes: "For years I suffered from kidney and liver disorders. I had severe pains in the back and they caught me especially when I stooped over. I was also troubled with indigestion and severe headaches."

"I began using Dr. Chase's Kidney-Liver Pills and cannot speak too highly of this medicine, for it has done me a world of good. The back pains and indigestion have been entirely cured, and my digestion is good."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c, a box, at all dealers, or by mail, on receipt of price and two 3-cent stamps. The Cheek Company, Windsor, Ont. Exported 1 and 2 sold and recommended by all responsible druggists in Canada.

No. 1 and No. 2 are sold in all St. John Drug stores.

AN INCUBATOR WITHOUT CASH

Until October, 1904

There is money in chickens—big money. The farmer who overlooks this branch of his business is neglecting one of the greatest profit-producing departments of his farm. For the amount of capital and labor invested the returns are enormous. But you must do it right.

You cannot make money in the poultry business without an incubator and brooder. You might as well depend on a cyclone to move your house and set it where you want it as depend on a hen to raise chickens for the market. Both are equally beyond your control.

Choosing the best incubator is the problem. With makers claiming so much for their machines you are left in a quandary. We settle all questions by the most liberal offer ever made. If we hadn't the best Incubator on the market and unquestioned financial strength we could not make it. Here is the offer:

We will give you a chance of raising poultry under the best conditions, without the outlay of one cent until October, 1904.

We will send you—freight prepaid by us—a

Chatham Incubator and Brooder

leave it with you until October, 1904, without any cash from you.

Give it a thorough test, make money out of it—the more you make the better pleased we shall be. When October, 1904, arrives you should have made sufficient profits to pay for this incubator several times over.

There is no string to this offer. It is open and free. We make it to show our supreme confidence in the Chatham Incubator and Brooder. We want everyone who desires to raise poultry for profit to accept it. We want you to fill out the coupon in the lower right-hand corner of this Ad. and mail it to us—or send us a postal card with your name and address. We will then give you full particulars. Write to-day.

Please find enclosed postal order for \$1.00. Please send me back my order. Your incubator that you sent me is fine. I had one chicken from it and the 13 eggs that did not hatch were unfertile. Yours truly, PAUL CARON, Lisle, Que.

Years of 1904 1905 at hand, and my mind is filled with your generous business principles. One has had much to do on Saturday, and I am of 155 eggs we set we have 60 strong, healthy chicks, making a total of 555 living chicks out of 800 eggs set. This proves without saying that the incubator is giving great satisfaction. Yours truly, R. C. B. B. B. B. B
