

## *An Excuse?*

This is it!! After a mere two and one-half years, the Student's Union has finally published this (priceless?) volume of activities and events for the years 1966-7 and 1967-8.

An explanation for the delay must be given. There was no editor for the year 1966-7. The 1967-8 editor quit in April of this year. The book was finally finished through the hard work of a number of individuals too numerous to mention.

Thanks, however, are in order to the publishers, D. W. Friesen and Sons Ltd. of Altona, Manitoba, for their undying patience.
