GREEKS WIN TEN INNING GAME; BANGOR LOST AT THE CAPITAL

Special to The Standard.
Calais, Me., June 10.—What started in to be a long drawn out game was turned into a very interesting and spectacular contest with numerous thrills here this afternoon when Leonard's St. John team clashed for ten innings with Doyle's Calais and St. Stephen swatters. Lee went in the mound for the Doyle's and before he got well warmed up the visitors counted three runs.

O'Brien led off and his high fly was snuffed by Vance who found the sun too strong. Little walked, Black sacrificed, O'Brien moved to third, Little to second. Watt singled to left clearing up the bases while he went to second. Watt stole third and remained there on a close decision. Rien fanned. Waterhouse singled to right driving in Watt. Riley went out stealing second.

With a fine lead it looked like easy going for the Greeks and after the Croix team tried in vain to touch up Woodbury's benders the visitors came back in the second for one more tally. Riley fanned. Nolan got on by being hit by pitcher and advanced to second by Woodbury's Texas leaguer to centre. Woodbury went to second on a passed ball. Nolan scored. O'Brien and Little grounded out one run. This made the score St. John 4, St. Croix nothing. But the go-at-em spirit asserted itself in the third. After Chiselm whiffed, Parker the cleanup hitter lost the ball in right field for three bases. McPherson, the star infielder, sacrificed, scoring Parker. Tretout fled out.

Both pitchers lightened up while there was some class to the infield and the game took on new life in the sixth when the home team started things going. Tretout singled to right, Pease poled to centre, Vance was unfortunate in hitting into a double retreating with Pease in a thrilling double play. Nolan to Waterhouse to Watt. Tretout advanced to third. Red Wilde proved the right man in the right place when he dumped a pretty bingle just back of Watt, scoring Tretout. Gross lifted to Waterhouse.

St. John failed to tally in sixth, seventh and eighth, while St. Croix showed the stuff that players are made of. After two out in the seventh, Parker the hero of the day, tripled to right and was driven home by McPherson's single. Tretout grounded out and they tied the old game up in the eighth by timely hitting. Pease singled to centre, Vance sacrificed to Pease to single. Wilde made another of his thrilling bingles bringing in the tying run. Gross fled out and Lee fanned.

St. John tried hard to win out in the ninth but Lee proved effective. The locals went out easily in the ninth and the final tenth for St. Croix commenced. After Black fled out, Watt, the clever first baseman, singled to right. Rien singled to left and Watt travelled to third. Waterhouse fled out to Pease and Watt counted on the throw in, winning the game by his timely hit and fast base running. Riley got a life on Vance's muf of a high fly. Rien went to second. Nolan was safe on a slow throw. Wilde to Vance, a close decision. Woodbury grounded out retreating side. Calais and St. Stephen tried hard to even up, but Woodbury put the bar up and the great game ended.

Features of the game were Parker's hitting, Wilde's placed hits and McPherson, Tretout, Watt, Nolan, and Rien's hitting and playing.

Fredericton 5; Bangor 2.
Fredericton, June 10.—Maroon's Maroons had their first visit to Fredericton today and were beaten by a score of 5 to 2 by Fredericton.

Frank Ahearn was on the mound for Fredericton, and he had the Bangor club so completely baffled that in only three innings did they score, and that was due to some bad work in taking care of bunts as a result of Manager Ganley experimenting with "Porky" Flynn in the infield. Of the seven hits Bangor secured, four should have resulted in easy outs, three on third base and one on the first base side of the diamond.

Blackbird was hit freely and opportunely by the locals, who also ran wild on the bases. Bert White was the individual star of the encounter and showed the best class of baseball seen here this season. In four trips to the plate he had three hits, scored two runs, and drove in two others, while in right field he had five chances and accepted them all, two being spectacular catches.

Umpire McCann sent word to the grounds fifteen minutes before the

JEROME TRAVERS, OF MONTCLAIR, IS AGAIN A GOLF TITLE HOLDER

Jerome D. Travers, of Upper Montclair, N. J., led the field in the qualifying play of the Metropolitan Golf Association championship at Fox Hills links, Staten Island, N. Y., scoring a total of 151 strokes for thirty-six holes. He is the present title holder. H. V. Gaines, of Wykagat Country Club, was second with 158 strokes. Both players made a 73 on the first round, which score represents a new record for the course.

SPORTOGRAPHY BY "GRAVY"

Charles F. Dooin, Quaker Manager, 33 Tomorrow.

They call the municipality that Charles F. Dooin graces by his presence "the City of Brotherly Love." It is to be pointed out, however, that Mr. Dooin is not a native of Philadelphia, but was born in Cincinnati thirty-three years ago. Tomorrow, June 12, 1880, "Red" does not believe in brotherly love, non-resistance to injuries, and other Quaker doctrines. Not noticeably. If anybody offers Mr. Dooin his coat, "Red" will take it, and who ever turns the other cheek to Mr. Dooin will get a bit on the jaw. Strange to say, the credo of the Philly manager is exceedingly popular in Philadelphia. In vain the managers of other National League clubs have appealed to Mr. Dooin, pointing out that he is upsetting all the dope. In vain they have cried, "Halt! a heart, mister, have a heart." Little reck Mr. Dooin of such pathetic appeals, but goes his cruel and heartless way, annexing pastimes at every opportunity, and has an idea that the time is ripe to correct that omission. The tattletale time will tell. Meantime "Red" has been doing a fancy job of upsetting the dope and flouting the preconceived opinions of the baseball sharps.

Philadelphia has never had a National league pennant. Mr. Dooin and his gang of shoguns evidently have an idea that the time is ripe to correct that omission. The tattletale time will tell. Meantime "Red" has been doing a fancy job of upsetting the dope and flouting the preconceived opinions of the baseball sharps.

JOHNNY EVERS OF CHICAGO

The Chicago Cubs have started this season like a whirlwind, and Johnny Evers, their new manager, had the laugh on Tinker and Chance, who were hanging on the bottom of the percentage table.

The first Eastern trip of the Chicago club rather gave them a setback, as they crumpled before the Eastern teams. Outside of Cheney, Evers has no pitcher that he can depend on and even Cheney can't win every time. Johnny himself is not batting much so far.

NEWS OF EASTERNERS ON PACIFIC COAST

Carleton County Clergyman a Noted Mountain Climber—Leviathan for C.P.R. Pacific Service—Personal News.

Vancouver, May 30.—One of the largest and most unique processions witnessed in the Kootenay, according to a local paper, took place at St. Eugene this week when over 600 stalwart Indians, clad in ruddy colored blankets and accompanied in some cases by wives and papooses, paid homage to Archbishop Casey. At various portions of the route the host carried by his Grace, was greeted by gun volleys fired by the Indians, who took this method of showing their devotion. The Archbishop, who is well known to St. John diocesan, is becoming very popular in the West. His first tour of the interior of the Province is now taking place. His first visit to New Westminster was made on occasion of unusual festivities. Special trains are conveying many hundreds of excursionists from the country to the various towns at which His Grace is celebrating High Mass. Last Sunday he pontificated High Mass at Cranbrook, and opened a \$20,000 Indian School at St. Eugene, near by. Great preparations are being made for the feast on Sunday, at Nelson. Rev. George Kinsley, who in 1901 climbed Mt. Robson, the highest and finest peak of the Canadian Rockies, is a native of St. John. He was last week tendered the compliment of a banquet by the Vancouver Canadian Club, and at Wesley Church during the Methodist Conference. He gave his famous illustrated lecture descriptive of his feat. Mr. Kinsey is a gentle and modest man, lauded by all others but himself in his talks. He has triumphed over Mt. Stephen, Vice president, Aberdeen, Temple, Pike, Macle, Pass and many other peaks. Kinsey has been transferred from Hedley and Keremeos in the interior of the Province, to Tinnies Street Methodist Church, Vancouver. He was born at Victoria Corner, Carleton County, N. B.

Mr. Wilber, the famous pathfinder of motordom, will again cross Canada from sea to sea this year. His book of experiences on his adventurous tour, has recently been issued from New York press.

A telegram from the East has the announcement has come of the granting by the University of Mount Allison, College, of the degrees of Doctor of Divinity upon Rev. Mr. Sanford, the new principal of Columbian College, and of Doctor of Law upon S. D. Scott. The Mayor and City Council have and some thousand other citizens gathered at the C. P. R. wharf, last Wednesday afternoon to welcome the big steamer Niagara here on her first trip from Australia on the Canada-New Zealand-Australia run. Interesting statistics of this great 13,000 ton vessel or include the facts that she carries 500 miles of piping, 2,000 miles of wiring, 2,008 electric lights, over 200 electric motors, a tank capacity of 5,000 tons of oil fuel, which will be filled into an oil burner electric lifts, and such other conveniences as machinery for peeling potatoes and washing dishes. Her proportions are length over all 543 feet, breadth moulded 68 feet, depth to bottom of keel 24 feet, and to upper deck 64 feet. The vessel brought 636 passengers across the Pacific. Next week will arrive the Western tour work. Judge H. C. MacDonald of Charlottetown, P. E. I., has since a few days ago, been a guest of his brother Mr. E. MacDonald, Burrard Street. Mr. MacDonald is an ex-member of the Prince Edward Island legislature.

Mr. William Pickup, former student of Mount Allison, Sackville, now a graduate of McGill Engineering Faculty, Montreal, is in Vancouver for the summer, with his friend Mr. Sydney Baldwin, medical student McGill.

Dr. Westbrook, new president of the University of British Columbia, arrived in the city this week from Minnesota, where he has concluded his University of Minnesota work. After a trip to Victoria, he started on a tour of the Eastern Canadian colleges, on the search for professors. At Toronto he will receive an honorary degree from the University of Toronto. His Alma Mater, the University of Manitoba, has already honored him.
