EMPIRE DAY SPORTS IN AN ENGLISH CAMP

How the 64th Spent May 24th in Otterpool Camp—Capt. F. R. Fairweather Directed Programme.

Wednesday, May 24th, Empire Day, was a real English day and the troops stationed at Otterpool and Westernhanger Camp, at the request of the Division, carried out a perfectly arranged programme of sports on their different camp areas. The 64th Battalion was among the units to give their large number of athletes an opportunity to display their ability. The programme, which consisted of eleven numbers was commenced at 9.30 o'clock and was concluded at the dinner hour. Each event of the programme given below was well contested, and the rivalry was very keen but friendly. Those taking part clearly demonstrated that when they entered into the great game of war they would still adhere to the mainly principles which are characteristic of true sportsmanship. Under the direction of Captain F. R. Fairweather the following events were pulled off:

220 yards dash (Officers)—1st, Lieut. J. H. Henry; 2nd, Lieut. P. B. Duff.
100 yards dash—1st, Capt. R. M. Barbour; 2nd, Pte. J. E. Tridder; 3rd, Pte. M. Vene.
2 Mile Run—1st, Pte. T. M. Veniot; 2nd, Pte. E. L. Colburn; 3rd, Pte. C. Belser.

High Jump—1st, Pte. M. Veno; 2nd, Pte. J. J. Martin; 3rd, Capt. R. M. Barbour.
440 Yards Dash—1st, Corp. Flockart; 2nd, Pte. A. H. Lamrock; 3rd, Pte. G. Fry.

1 Mile Walk—1st, Corp. L. B. Harvey; 2nd, Pte. B. J. Doyle; 3rd, Pte. E. Smith.
Tug-of-War—1st, "D" company team; 2nd, "A" company team.

1 Mile Relay Race—1st, Battalion Detachment; 2nd, "A" company.
Three-Legged Race—1st, Sgt. Elight and Corp. Flockart; 2nd, Ptes. Morine and McLaughlin.

120 Yards Fumble (10 Rights)—1st, Sergt. Schaeffer; 2nd, Pte. Von Haartman; 3rd, Pte. G. O. Fry.
1 Mile Run—1st, Pte. Inkpen; 2nd, Pte. T. M. Veniot; 3rd, Pte. McLaughlin.

The time made in the foregoing events was not of a nature to cause records to disappear, but when one considered the course and its roughness the speed was not to be sneered at. It will be noticed that among the contestants and winners were a number of well-known New Brunswick officers and men, or those who claim New Brunswick as their home. Capt. Barbour, the winner of the 100 yards dash, is the son of a well-known resident of Fredericton. Lieut. Henry is a son of Westmorland county, and handily won the Officers' 220 yards dash. Private A. E. Kavanagh, a Richmond, Kent county boy, of the A. M. C., was a member of the team which won the one mile relay. The latter was also a contestant in the 100 yards dash, but owing to an accident was unable to run in the finals.

In the afternoon the most interesting event was a baseball game played between the 64th and the 66th Battalions on the drill grounds of the 64th. The score at the end of the nine innings stood 16 to 15 in favor of the Maritime Province Battalion. New Brunswickers figured prominently in this contest also. Major C. G. McLaughlin, the well-known merchant of Woodstock, Carleton county, battled well and was always on the spot in right field. Captain Barbour, as short stop, blocked many of the hot ones which would have netted the visitors some few runs. Sergt. George Machin, St. Mary's, York county, played the left field position and helped to uphold the high standard of the York county diamond idols. The roughness of the grounds was no doubt the cause of the big score. Capt. G. Anglin, without partiality, umpired the game and gave entire satisfaction.

A football game was lost to the 63rd Battalion at Westernhanger 2-2, while the Officers of the 64th defeated the Sergeants of the 64th in a game of cricket. Both games were of much interest.

The committee in charge were as follows:—Capt. F. R. Fairweather, Capt. Barbour, Capt. Anglin, Mr. Mackay and Mr. Henry.

County Court.

The civil non-jury case of W. Clarke, Ltd. vs. Balrd and Peters, was being tried in the county court yesterday before Judge Armstrong. The defendants placed an order with the agent of the plaintiff, for two hundred cases of beans, and requested that the order be wired to head office for confirmation. They claim that instead of so doing the agent took it upon himself to confirm the order, and therefore, they are entitled to the goods at the price quoted when bought. The plaintiffs claim that as they had not confirmed the order, and the price had advanced before the goods were shipped, that they are entitled to the market price at the time of shipment. The amount in dispute is about \$68. Several witnesses were examined and the case will be continued this morning.

Cable Route Restored.
The Board of Trade has been advised that the direct cable route to Caracas and Venezuela has been restored.

ANOTHER BATCH OF LETTERS FROM THE BOYS AT THE FRONT

Member of 6th C.M.R. Tells of Good Work by Maritime Province Men—Fooling the Germans with "Doctored" Straw—26th Man Writes of Meeting Well Known St. John Boys—F. W. Sumner Hears From Boys in Hospital.

F. L. Roberts, of Cody's, who went to the front with the 6th C. M. R., sends to The Standard an interesting letter received by him from Private V. R. Cavanagh, also of the 6th. The letter is as follows:

Brundall House Hospital,
Brundall, Norwich, Eng.,
May 26th, 1916.

Dear Frank,
You will be surprised to hear of me being in hospital in England. I left France a week ago last Monday, and was in bed till day before yesterday, and am now able to be walking around but I am rather weak, and suffer with dizzy headaches, caused by the concussion of the shell. I was buried in my dug-out and two friends dug me out and found me unconscious, and I was carried to the rear, and did not come to till I found myself in the hospital eight miles back of the firing line. I also received a slight shrapnel wound, before this, in my right foot, but it was not serious enough for me to go to the hospital.

I have been to several places of fighting which I cannot mention, but at any rate, Yves was the last place we were at. Our regiment has been badly cut up, and we have been reinforced many times and there are not many of our old original sixth mounted in the firing line now.

Yves is just a mass of ruins. It was a very large town, but the Germans shell this town every day, and sometimes it is impossible for our transports to come through this, and we, poor fellows, in the front line would have to suffer by getting nothing to eat next day. "Betty" is very fond of sending us over a little gas every once in a while, but we have good protection for this through our gas helmets, but occasionally a fellow will get a dose of gas through a defective helmet.

One night when we were taking our usual turn in the front line, every man carried a bag of straw in with him. These bags of straw were sprinkled with sulphur, and the next morning we set fire to these bags and threw one over the parapet every five yards. Just moved them right down a green smoke made "Pats" believe it was gas we were sending over, and they all retired out of their trenches, running from us as hard as they could run, so we just opened up rapid fire, and our machine guns on Mr. Fritz and he moved them right down. I tell you the Germans were falling just like grass would fall behind the cutter bar. That was a pretty wise trick, wasn't it? There have been many times when Germans would come over to our lines, and give themselves up.

I am in a lovely hospital and we are waited on hand and foot, and we are taken out for an automobile ride nearly every afternoon. People in the hospital and we are asked all kinds of questions about the firing line. I tell you I was not at all afraid of calling myself a Canadian, for the Canadians have certainly won a great name for themselves at Yves, Langemark, and many other places. The Germans will not face a Canadian with the bayonet at all. They will run every time. Hoping you are all well, and that I shall hear from you soon, I remain,

Yours sincerely,

F. W. SUMNER.

F. W. Sumner, Esq.
Dear Sir—Many thanks for your book and letter. My home address is Mrs. G. Conley, Milford, N. B. I have been in hospital suffering from pleurisy and it was thought at one time I had developed tuberculosis but the doctors say they have not found any trace of it at this hospital here. Would be more than pleased if you could send me some St. John papers as I have not seen any for some time.

Yours truly,
SERGENT G. COMLEY,
26th Battalion.

A very interesting letter was received by Wm. Bryden the other day from "Somewhere in France." The writer, a member of the 26th, says in part: "The weather is very hot here at present. I met Lieut. Frank Corry of the 26th, who was going to reinforce one of the battalions in the trenches." The writer said Major F. C. Magee was having dinner at the time he wrote with Col. Massie, he could hear them in the mess. The Major was looking well. (Major Massie has since been wounded.) He also mentioned meeting Otty White, who was a warrant officer in the first divisional park and was looking fine. He had also been talking to a St. John boy by the name of Dobson, the morning he wrote, who told him he had met Charles Small, a former employee of Hawker's drug store. He also spoke of meeting Q. M. S. Frank Jennings and Capt. George Keefe. They were all well.

A Splendid Window.
A window which attracted a great deal of attention yesterday afternoon and last night was the one in which Manchester Robertson and Allison had the colors and trumpets which were presented to the 15th Battalion, by the ladies of the I. O. E. The colors were presented by the ladies of Brunswick Chapter, Mrs. Dr. Travers, regent, and the trumpets by Royal Standard Chapter, Mrs. E. Atherton Smith, regent. The window is very nicely arranged with the trumpets in the centre on pedestals and the colors at either side.

Suffered Constantly FROM HEADACHE.

To suffer from headache makes life miserable, and it takes a person who has been or is subject to headache to describe the suffering and agony that goes along with it. The dull throbbing, the intense pain, sometimes in one part of the head, sometimes in another, is caused by some disturbed condition of the system. The stomach may go wrong, the bowels become constipated, the blood may not circulate properly, but whatever the cause, there is something wrong somewhere, and unless the cause of the headache is removed, some serious trouble is very likely to assert itself.

The fact that Burdock Blood Bitters reaches the seat of the trouble, and banishes the headache is due to its success in first relieving, and then permanently curing the cause of the trouble.

Mrs. Wallace J. Boyd, Milton, N.B., writes: "Several years ago I was a constant sufferer from headache. I was all run down, and nothing seemed to do me any good. I read of Burdock Blood Bitters, and decided to give it a trial, and the result was marvellous. The headache stopped at once, and I feel better in every way since. I recommend it to all sufferers."

B.B.B. is the oldest and best known blood medicine on the market to-day, having been manufactured for the past forty years by The T. Millburn Co., Limited, Toronto, Ont.
