THE ALLIED FLEETS NOW BOMBARDING TIEN TSIN.

London Has Little News, No Details, but Looks Upon the Situation as Extremely Critical--Li Hung Chang Keeping Out of the Trouble.

London, June 22--6.30 a. m.--The United States ginseng Monocacy was two miles up the Pei-Ho river when the international fleet began the bombardment of the Taku forts. According to the Shanghai correspondent of the Daily Express she was shot through the bows. The correspondent says that Chinese riflemen on the sides of the river attacked her, but unsuccessfully.

The scantiness of the river water, with reference to the situation continues. Admiral Kempff's despatch to the United States navy department announcing that Tien Tsin is being bombarded, was prominently used by the London papers and commented upon as indicating a change for the worse.

The British admiralty does not believe the report of the death of Admiral Seymour, commander of the international relief column and semi-official assurances are given that there seems to be not the slightest evidence to back up the report. It is pointed out that Admiral Seymour had sufficient supplies to enable him to get to Peking or to get back to the coast.

A despatch to the Associated Press from Shanghai, dated yesterday, says: "The consuls met today to consider the situation which in the absence of news from Peking, is looked upon as particularly threatening. Grave fears still exist as to the safety of the Europeans in Peking. It was agreed to write to the senior consul at Chefoo to communicate with the senior officer at Taku asking for immediate assistance in communicating direct with Peking, which they believe can be brought about through Sheng, director of telegraphs. They advise that Sheng be asked to explain the interruption of communications."

The stoppage of trade has thrown 10,000 coolies out of work at Shanghai. All the English ladies at Tien Tsin left there Saturday by a train for Taku. Shanghai wires that they had some exciting experiences and would not have gotten through except for the assistance of the Chinese troops.

The "Boers" made several desperate attempts to attack the train. Taking advantage of the present disorders, bands of robbers are pillaging in the vicinity of Sam-Chun. The Chinese authorities are powerless.

What Paris Knows. Paris, June 21, 5 n. m.--The minister of foreign affairs, M. Delcasse, replying in the chamber of deputies today to a request for the latest news from China and the policy of the French government in the future, said he had received a despatch, dated June 20, saying that the legations and foreigners at Peking were safe and undisturbed. He added that a despatch dated June 19, saying the Chinese authorities were at last realizing their responsibilities and that the world would be able to leave. This despatch ended with the words "a material improvement in the situation exists."

There will be three Liberals and three Conservatives, three mainlanders and three islanders. The cabinet is as follows: Jas. Dunsmuir, premier and president of council.

Combine Canadian Stove Factories. Hamilton, June 21--The deal for the acquiring of ten leading Ontario Stove factories by a syndicate of United States capitalists is said to be nearing consummation. The amount of the purchase price is placed at two and a half millions. The following are the names of the concerns understood to be involved in the deal: Copp Brothers, Gurney, Tilden Company, D. Moore Company, Huron Stewart and Milne, Bowes Jamieson and Company of this city, McClary Manufacturing Company of London, Clark Bros., Preston, James Stewart Manufacturing Company, Woodstock; Buckstore Company, Brantford, and Smart Manufacturing Company, Brockville.

Canadian Timber First. Toronto, June 21--The Telegram's special cable from Paris says Canada has been awarded the first prize for its display of timber at the exposition.

AS BULLER ADVANCES THE BOERS SURRENDER.

Three Hundred Have Submitted to Him--Roberts is Evidently Having Severe Skirmishes--The Transvaal Government is Short of Funds--A Pleasant Little Story.

London, June 22--4 a. m.--General Buller is pressing his advance. On Wednesday he followed the Johannesburg railway to Paarde Kop, 31 miles from Standerton. About 300 Boers singly or in small parties, have surrendered.

The war office has issued a list of casualties in engagements around Heilbron, previously undisclosed. Lord Roberts has adopted the Transvaal mining regulations for military administration.

A Little Fiction. A despatch from Lorenzo Marquez says: "The Boers have printed and posted at every corner the following: 'Machadodorp, Monday--The Paris exhibition has closed and France has declared war against England. Fifty miles of railway has been destroyed in the Free State and 30,000 British have surrendered.'"

Check, but No Funds. The colonial office publishes a notification by the military government at Johannesburg of the stoppage of a check for £40,000 drawn for the French bank in the hands of the National Bank of the South African republic and warning all persons against dealing in the check as the funds of the National Bank are the property of her majesty's government.

Boers Hard Up. The Transvaal government, according to the Lorenzo Marquez correspondent of the Times is reduced to severe financial straits and is endeavoring to meet the emergency with treasury bills, but the people refuse to accept them.

Buller Moving On. Paarde Kop, Transvaal, June 21--The British column arrived here today. The presence of the army has induced many burghers to lay down their arms. The retreating Boers have destroyed a bridge and culverts, but the Zandspruit bridge is little damaged.

The Fifth to Fall. Victoria, B. C., June 21--Capt. Blanchard, late adjutant of the 5th Regt., who died in South Africa June 14, is the fifth of Victoria's 23 volunteers in the first contingent to fall at the front.

Montreal, June 21--Jack Roach, a notorious crook who was supposed to have been hanged in the Napanee bank robbery, but who escaped punishment in this connection, was sentenced today to twenty years in St. Vincent de Paul penitentiary. He was convicted some time ago of robbing a merchant named Roome in a bold manner in his store.

NEW MINISTER OF INLAND REVENUE. M. Bernier, of St. Hyacinthe, to Succeed Sir Henri Joly. Ottawa, June 21--It has been decided that Mr. Bernier, M. P., of St. Hyacinthe, will replace Sir Henri Joly as minister of the inland revenue department. The official announcement of the changes is expected tomorrow, when Lord Minto signs the order in council dismissing Lieut. Gov. McInnes. Mr. Bernier's appointment will be generally endorsed.

ELEMENTS OUT ON A TIME. Terrible Severe Storm Passed Over Buctoche and Cascaigne. Moncton, June 21--A very severe thunder storm passed over Buctoche and Cascaigne this afternoon. A high gale accompanied the storm, which is described as one of the most terrific experienced in that section for some time. Fences and old buildings were blown down and rain fell in torrents.

Circuit Court. In the circuit court yesterday the suit of Clark vs. Miller was begun before Judge McLeod. C. N. Skinner, Q. C., and C. McDonald, for plaintiff and A. P. Barnhill for defendant.

TO CONNECT NEW BRUNSWICK WITH THE BRITISH MARKET

Gathering of the Leaders of the Province to Solve the Question of a Summer Steamship Service Across the Atlantic--Needed for Our Development.

There was a very representative gathering at the Church of England Institute rooms yesterday afternoon and evening when the opening and second session of the summer service convention were held. The conference has been looked forward to for some time and the arrangements had been well perfected. There was a good business snap to the proceedings after a little tardy start, and when gentlemen were called on to open discussions it was arranged to open, with a quick in response. Consequently the business went along rapidly and by night all the subjects but one on the programme had been discussed and some not on the programme but relative to the subjects had been taken up. Mayor Daniel presided throughout. The speeches and discussions were taken by stenographer Gierow for compilation in pamphlet form.

The delegates signed a roll of attendance and the book reveals these names: Mayor J. W. Daniel, S. S. Hall, Ald. Thomas Millidge, C. F. Kincaid, S. Schofield, John E. Irvine, Ald. McMillin, Thomas L.
