Fortieth Anniversary Mary McKenna, a public servant with Security Service, marked her fortieth anniversary with the RCMP on April 29, 1982.

More than a hundred of Mary's co-workers gathered to help her celebrate the occasion with a cake and several litres of champagne, and A/-Commr. R. G. Moffatt read a letter of commendation from Commr. Simmonds. Mary received a large card, a poster-sized cartoon commemorating her first day and a new set of

"Targit" darts, which should make her the envy of the Monday night dart league at the Montgomery Branch of the Royal Canadian Legion.

Since Mary joined the RCMP in 1942, at a salary of \$720 a year, she has served under nine different Commissioners and witnessed more than one-third of the history of the Force. She is believed to be one of only five RCMP employees to have served as long. Keep it up Mary.

At a special presentation ceremony on January 12, 1982, C/Supt. J.B. James, S.W. Ontario Area Command, presented Long Service Certificates and Awards to C/M Rauni Carson. . .

. . . and C/M Jean Wright.
