(Washington Tribune Correspondence.)
Senator Wilson will introduce on Monday
a Pasific railroad bill, the provisions of which
are an establially as follows:

The President and Senate to appoint Civil
which all the successful of our magazines are

road to be built by government, provided the rou e selected is approved by the President, Among the articles to be continu and the fined to be raised by loans in sums of not more then \$10,000 annually from the past year, will be not m re th n \$10,000 annuary from the past year, will be passage of the act. Until the location of the read all the public land between the afore and parallel shall be withheld from sale, but shall be open to pre-emption to actual but shall be open to pre-emption to actual turnst of the country. Mr. Dreer's informative the shall be open to pre-emption to actual turnst of the country. Mr. Dreer's informative the sale and there has been mild so far, and there has been mild so far, and unless prices in England improve, but shall be open to pre-emption to actual turnst of the country. Mr. Dreer's informative the sale and there has been mild so far, and unless prices in England improve, and there has been mild so far, and unless prices in England down were set as the country. The Bires is never full of its and the Earny and the Earny

turday. Mr. M.'s account is fully corrobyear to come.

Iteratively. Mr. Mr. Saccount is fully corrobined by Mesre. Within Couch and Daniel Cox, who witnessed the affair, and who state that Mr. English spoke, saying—'How mare' you Mr. Montgomery." Montgomery neither spoke nor quid any attention to this salutation, but passed on down the arenue. Mr. English speed after him a few steps and struck him from behind with his cane a heavy blow on the sike of the head. Montgomery turned on him—English stepped hack and drew his sword cane as though about to tatab Men'gomery with it—Montgomery stepped back into the avenue and caught ap a piece of brick. English was running who may be prosted and from the head of the stock and from him to the heel or lower part of the leg. Montgomery with it—Montgomery with it—Mon

of its oin m nts. The coup d'etat of December 2. 1851, successful as it was over the Chambers and the Constitution, utterly failed to constitution, utterly failed to constitution, utterly failed to constitution the preceding of the new Emperor the surp rt of men who had as umed character and position under the preceding 30 years of liberty, too lightly prized while erjoyed to be deeply regretted when lost.—Atmost alone among the class- to which he belonged, M. de Montalembert at that trying moment stood forward to give his moral and intellectual support to the Imperial Throne while set rocking from the convulsion which established it. He did not wait to see each of its of while set rocking from the convulsion which the same club rates.

established it. He did not wait to see whether the new institutions took root in the TEA AND THE FAI whether the new institutions took root in the soil of P. ance; he did not wait to see whether the nation that had done and suffered so much and so vainly for its own liberties and the general rights of humanity would tamely bow beniath the iron rod of a master, but obeyed the strong impulse of his nature, which led him to throw himself heart and soul into the scale which bore the Emperor and his doubtful fortunes. We cannot now estimate the exact value which should be attached to such an adhesion; but, if we are to judge by the delight with which it was received we had a solution of the scale which it was received we had a solution to solution the scale which should be attached to such an adhesion; but, if we are to judge by the delight with which it was received we had a solution to solution the scale which should be attached to such an adhesion; but, if we are to judge by the delight with which it was received we had a solution to solution to solution to the scale which should be attached to such an adhesion; but, if we are to judge by the delight with which it was received we had a solution to solve the solve the solution to solve the solve the solution to solve the solve

uting masquerade, carried on in costumes and I have remarked that by losing the nappy hat recall only too faithfully the most de we lost baith ghaists and fairies." hat recall only too faithfully the most de-Court reposes from its revels, and the erious business of life reclaims the votaries of pleasure. The brilliant crowd dispenses, and the attention of the nation is turned from fenata the dresses and the vapid imitation of Mo rich chivalry to the tame formalities in the midst of which the last spark of her remaining freedom was to be trodden out; The illustrious prisoner appears before the Court commissioned to take cognizance of his offence; but before what a tribunal for such a defendant! commissioned to take cognizance of tis offence; but before what a tribunal for such a defendant! Not for him was reserved a trial before the highest Judges of his country, whose learning, rank and gravity might, at any rate, lend some stow of dignity and respect for appearance and propriety to the decision they were to prenounce. No, the days are long past since Liberty could claim sufficient respect from a French Government to cause it to put in motion even for her suppression, he higher powe so and more deliberate agency of the Superior Courts of Justice. The cause on which hang not only the personal liberty of an illustrious citizea, but the freedom of thought, speech, and writing in the land of

The Benk of Eegland has reduced its rate of discount one half per cent.

tes the above. English has been held to bait for the assault. Montgomery's face is badly bruised, and he has kept his room since, attended by physicians. Mr. M. had already twice pass d English on Saturday without speaking.

THE DEATH OF LIBERTY IN FRANCE.

[From the London Times.]

The Revolution," said Verguland, "like Saturn, is deviving her own children," and the Empire is destroying the first and noblest of its orn mints. The coup d'etat of December 2, 1851, successful as it was over the server, the was agents for whose acts we are responsible.

How to Remit.—Procure a draft, if possible; if not, send notes; but let it be a matter known only to yourself; the fewer you let it be a matter known only to yourself; the fewer you let in the secret, the more certainty there is of your money coming to hand. Do not register your letters, as this at once informs everybody that money is in your letter. It you send gold dollars, secure them carefully in the letter; otherwise they are apt to work out of the envelop. Notes on all solvent banks taken at par. Be careful and pay the banks taken at par. Be careful and pay the postage on your letter, and direct it to L. A. Godey, Philadelphia.

One copy one year, \$3. Two copies one

the delight with which it was received, we delight with which it was received, we are to judge by meetings—bridals, christenings, lyke-wakess and the like—we entertained ane another with the delight with which it was received, we should sup ose it to have been at the moment of no incons derable importance. At any rate the Emperor has known how fully to acquit After a week spent in the mummeries of a hame. But the tea has put out the nappy;

> The first results of "civilization" to Japan have been anything but assuring to the Japanese. Cholera was brought by an American ship, and has committed fearful ravages among the people, to whom, we are told, disease was previously unknown. The Japanese believe their wells to be poisoned.

WILLIAM LEARY. Clayton, 14th December 1858. 15-a

ism., Education, Agriculture, the Natural Sciences, and General Intelligence, is profusely Illustrated with Engravings, and published monthly at one dollar a year. Every Family, and especially young men and women, should have a copy.

Young men about launching forth upon the activities, and anxious to start right, and understand their course, will find this Journal a friend and monitor, to encourage them in virtue, shield them from vice, and to prepare them for usefulness and success in life. The various occupations will be discussed in the light of Phrenology, so that every one may know in what pursuit he would be most likely to succeed.—Publishers.

The Warna Charlough and for 1859—Devoted

THE WATER-CURE JOURNAL for 1859—Devoted to Physiology, Hydropathy, and the Laws of Life and Health, with Engravings illustrating the Human System—a Guide to Health and Longevity.

Good Health is our Great Want. We can obtain it only by a knowledge of the Laws of Life and the causes of Disease, which are clearly presented in the Water Cure Journal. Particular directions are given for the treatment of ordinary cases at home, so that all may apply it. Believing Health to be the basis of all happiness, we rely on the friends of good health to place a copy of the Water-Cure Journal in every family. Now is the time to subscribe.

MUNICIPAL BY-LAW.

d'an Line, lately run between said Lots.

WHEREAS, a Petition has been presented to the Municipal Council of the Township of Beckwith, setting forth that the Government allowance for Road between Lots No. 15 and 16, in the front half of the 4th Concession of the said Township, has been opened for a great many years as laid out by Compass Line, and a great deal of Statute Labor laid out thereon; and whereas, by the Meridian Line lately run between the said Lots, the course of said allowance for said Lots, the course of said allowance for Road is considerably altered; and whereas, it is necessary to the public good to finally establish the said allowance for Road to the middle of the said Concession on the Com-rass Line, instead of the said Meridian Line.

And whereas, by the Act 22nd Victoria,

6, in the front half of the 4th Concession of the Township of Beckwith, be and is bereby established on the Compass Line, instead of the Meridian, and that the land taken up by said Meridian Line be exchanged or sold to the proprietor of said lands in lieu thereof, subject to appropriate or confirmation of the

TERMS OF THE MONTREAL WITNESS For 1859. SEMI-WEEKLY EDITION TWO DOLLARS PER ANNUM.

MUNICIPAL BY-LAW.

Law to establish the Government allowance for Road between Lots No. 15 and 16, in the front half of the 4th concession of the Township of Beckwith, on the Compass Line, instead of the Meridian Line, lately run between said Lots.

THEREAS, a Petition has been presented to the Municipal Council of Township of Beckwith, setting forth that

6th. The Sixth Division Court to be holden at the Town Hall in the Village of Renfrew on the twelfth lay of January and the sixteenth day of March,

7th. The Seventh Division Court to be holden at the Town Hell in the Town of Douglas on the thirteenth day of January and the seventeenth day of March, 1859.

And whereas, by the Act 22nd Victoria,
Cap. 99, powers are granted to Municipal
Councils for stopping up, altering, widening,
diverting or selling any original allowance for
Road in their Municipality.

Be it therefore enacted by the Municipal
Council of the Township of Beckwith, in
Council assembled, that the Government allowance for Road between Lots No. 15 and
16, in the front half of the 4th Consession of

Scientific American. VOLUME FOURTEEN

New-York Aug. 1858

Begins September 11, 1858.

ME HANICS, INVENTORS.

MANUFACTURERS AND FARMERS.

THE SCENTIFIC AMERICAN bas now reached its Fourteenth year, and will enter upon a new Volume on the 11th of September. It is the only weekly publica-tion of the kind now issued in this country, and it has a very extensive circulation in all the States of the Union. It is not, as some SEMI-WEEKLY EDITION.
TWO DOLLARS PER ANNUM.
WEEKLY EDITION,
2 dollars per single copy, per annum.
6 "for clubs of 4 addressed separately.
20 "for 20 copies to one address.
When a club has been formed, additions may be made at the same rate.
Any one remitting ten subscriptions for either or both editions, will receive a copy of the semi-weekly, gratis, except in the case of 20 copies to one address.
The terms for both editions are strictly cash in advance, and the paper invariably stops when the time subscribed for expires.
The Witness has from the beginning been much indebted for whatever success it has attained, to the kind efforts of friends all over the country in its behalf, and it is now as amuch as ever dependent on this voluntary agency.

Advertisements, not at variance with the character of the paper, will be inserted in section, and 3 cents for each subsequent insertion, in the weekly, the charge will be 20 cents per line for each insertion.

Every family should take a city paper in addition to the local frequapper. The latter is necessary, on account of the local intelligence it gives, whilst the tormer is valuable for its general information.

All letters, orders, and remittances to be adressed, post paid, to JOHN DOUGALL, Proprietor Montraeal Witness, Montreal. might suppose from its title, a dry, abstruse work on technical science; on the contrary,

ostage Stamps, taken for subscription

Letters should be directed to

MUNN & CO. 128 Fueet, N. Y.
