If you cannot carry
a rifle, you can
serve your country
on the farm.

"The plow is our hope," declared Right Hon. David Lloyd George, the Prime Minister of Great Britain. The tremendous significance of these words in the face of a world shortage of food must be a matter of concern to all. It points out the path of duty to men and boys unable to enlist in the army but capable of helping to increase production.

Help the farmer increase production

At this supreme hour when ample food production is one of the indispensable means of victory, the country faces a serious shortage of men and boys on the farms. The Department of Agriculture emphasizes the urgency of every man and boy taking to heart this splendid opportunity for patriotic service.

Boys Decide now to help in the war. If you are between the ages of 14 and 18, and have good term record, you can secure promotion at school by enlisting for farm service any time between April 20th and May 20th.

Parents are urged to encourage their boys to enlist for farm service. The physical and moral welfare of your boy will be advanced by a summer spent close to Nature; an interest will be awakened in an important industry of the country that will be a help to him in his whole future.

Men The Department appeals to retired farmers, to men following no occupation (retired), to business men who can spare at least a portion of their time, to all men who can arrange their affairs so as to help some farmer. Every man is invited to enlist for farm service.

Confer with your District Representative of the Department of Agriculture, or write or visit Ontario Government Employment Bureau, 15 Queen's Park, Toronto.
