

Minnesota Team Invited Four local squads, Ontario entries in Erindale College loop tourney

The first annual Erindale College Christmas Basketball Tournament will be staged Dec. 21 and 22 at the Mississauga campus featuring high school teams from as far away as Minnesota.

The eight-team, double-elimination tournament will have four local high school entrants with four others from out of the area also participating in the invitational event.

Lorne Park, Erindale,

Brampton Centennial and Streetsville will be the Peel representatives. Brampton are the defending Peel-Halton Athletic Association champions while both Erindale and Lorne Park reached the western division semi-finals last year.

Completing the field are the charges of St. Michael's well-known coach Dan Prendergast; St. John's College of Brantford, Ontario; Lourdes High School from Rochester,

Minnesota and hopefully the Oakwood Barons from Toronto.

Oakwood's entry may depend on whether athletic coaches in the city are still exercising their boycott of extracurricular activities when the tournament starts.

"It looks like a strong tournament," says Erindale's athletic director Dave Crichton. "We hope to get a lot of interest from the local high schools."

Crichton says the four-

team Peel contingent will probably become a staple of the tournament with four others selected at large.

After consulting Peel basketball convenor Mark Hickox invitations were sent to local schools and the schools replying most quickly got berths.

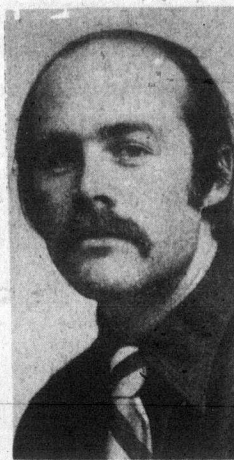

The Minnesota team was travelling during the Christmas break and were able to accept an invitation. It is expected that a Peel team will be matched

with one of the other four entrants in each first-round match.

Each team will play a minimum of two games and a maximum of three with a consolation round included.

The tourney's purpose for Erindale College is "to get the school's name more well-known," according to the athletic director.

"A lot of boys are probably interested in a place with a good basketball program," he says.

Rene Sauve kept up his better than two-goal-a-game pace as he fired four goals in a Clarkson Midget B 7-2 decision over Warren Park in Metro Toronto Hockey league play.
