7061.

August 11, 1924.

Dear Sir:-

I have your letter of the 31st. ultimo with regard to conditions on Sydney Indian Reserve and note your suggestions.

McLeod

In reply I might say that I am taking this matter up further with our local agent with a view to having sanitary conditions made as satisfactory as possible with the limited funds at our disposal. I am enclosing a copy of my letter to Agent McDonald.

Yours very truly,

W. A. G. ...
Deputy Superintendent General.
