Opposite Windsor Station - One Block from C.N.R. Stations

Dear Mr. Meighen, *July 18/40.*  
The more I read  
of the more I get disgusted. I do not think  
I have all the brains in  
the world.

As I wrote to you  
once before I listened  
to better reasoning  
in the most parliament  
at Ottawa than what  
I have read at Harvard.
