Madam,

With reference to your letter of the 1st August last replying to charges preferred against you by certain Indians of Mania. P.Q. I have to inform you that your explanations were considered sufficiently satisfactory to warrant the Superintendent General in not making any change in the management of the School and that no complaints were advised accordingly.

I may add that a letter has recently been received from the Revd Mr Gagne in which he states that the Indians regret that they acted as they did in making changes which they now say they were deceived into preferring against you by interested parties.

Very truly
Yours
J. M. M. M.

I am,
Madam,
Yours obedient
J. M. M. M.
