Ottawa, October 12, 1909.

Sir,-

I beg to acknowledge the receipt of your communication of the 10th instant, in which you state that you are unable to locate Islands 109D and 109E in the River St. Lawrence, recently purchased by you, and in reply to say that these islands are clearly shown on the official plan of the Department and I inclose a tracing of a portion of the plan on a large scale, showing the two islands in question, which it is hoped may enable you to locate the same.

Your obedient Servant,

  
Assistant Secretary.
