

488066-2

Ottawa, Dec. 3rd. 1919.

Sir:-

In reply to your letter of the 1st. inst. submitting an application on behalf of Frank Lockwood of the Tobique band for permission to cut 400 logs from the Reserve for the purpose of improving his house, I have to state that a permit for this quantity may be given him, subject to the payment of dues in the event of the timber being sold.

If the transaction goes through your hands and the entire proceeds from the sale of the logs are used for the purchase of lumber and material for his house, the collection of dues may be waived.

The Department cannot consider the question of a loan of \$50 to enable him to haul his logs. Doubtless the purchaser of the logs will accommodate Lockwood to this extent.

Your obedient servant,
