Council opened in due form at  
7.30 P.M. with prayer led by  
Chief — James Shawbonguit,  
Motion — Jim Nootchtai,  
Seconded — Felix Majezagijik,  
March, 7, 1906.

We the White-Fish-Lake Band of  
Indians are requested by Lebel Oro, Mines,  
Ltd., for a right of way, for a power line  
to run through our Reservation about 6  
miles by 60 feet wide. As the Lebel Oro,  
Mines Ltd., also agrees to pay for any  
damaged timber. We the White-Fish-Lake  
Band therefore ask your information how  
we stand to let a lease of land in such  
case. Right of way to run from Naughton,  
to Long Lake. We saw L.K. Fletcher of  
908 Royal Bank, Bldg., yesterday at Long Lake  
who will write you at once.

We are

Yours Truly

White-Fish-Lake Band,

Signed Chief — James Shawbonguit
