

Ottawa, 31st December 1924

Sir,-

With reference to the main line of the Canadian Pacific Railway through the Chawathen Indian reserve No. 4 of the Hope band in Tp. 5, R. 27, W. 6. M., it is noted that the Garden plan shows the area required as 44.21 acres. The area purchased by your Department under Order in Council of the 18th Jan. 1926 was 40.68 acres, for which \$2256.66 was paid which included improvements valued at \$862.50, leaving \$1374.16 for the land, amounting to \$33.78 per acre. I have to request your Department to forward payment for the balance of 3.53 acres @ \$33.78 per acre, amounting to \$119.24 with interest to date.

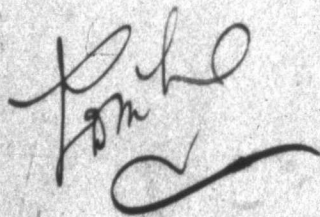

Your obedient servant,

(J.D. McLean)

Assistant Deputy and Secretary.
