

EXPERIENCE IN INVESTMENT

Those who can least afford to lose their money frequently are those who have had the least opportunity for acquiring the knowledge necessary to enable them to invest it safely.

The first consideration should be the safety of their investment. Trustees and Executors are hedged about by legal limitations in the investment of trust funds. They are, however, expressly authorized by law to invest these monies in the Bonds of the Canada Permanent Mortgage Corporation. These bonds are, therefore, a most satisfactory security to those who should invest only where their money will be absolutely safe.

These Bonds are available for the smallest as well as the largest investments, as they are issued for one hundred dollars and upwards.
