Canadian Holstein-Friesian Association's Annual Meeting.

The thirteenth annual meeting of the Canadian Holstein-Friesian Association was held on Feb. 3rd, at the Albion Hotel, Toronto, and was largely attended; Mr. T. W. Charlton, President, in the chair. The financial statement, as presented by the Secretary, Mr. G. W. Clemons, was most satisfactory. The receipts from all sources, including fees, sale of herd books, etc., were \$651.35, which, with balance on hand from last year, including interest, amounts to \$1,074.35. The disbursements were as follows: Publishing H. B., Vol. No. 2, \$222.25; Secretary-Treasurer's salary, \$300; special prizes, \$100; sundries, \$99.68; amounting in all to \$721.93, leaving a cash balance on hand of \$352.42. Seven new members joined the Association this year.

Mr. H. J. Hill, manager of the Toronto Industrial Exhibition, attended the meeting and asked the members of the Association if they would be willing to have the stock on exhibition by Thursday noon of the first week. He stated that the cheap excursions through the United States usually ended during the first week of the Fair, and he desired to make a special excursion, so that the live stock being present a few days earlier would be a drawing card and add to the receipts to meet losses in case of bad weather the second week. The following resolution was carried unanimously: Moved by W. G. Ellis, seconded by H. Bollert, that this Association believes that the proposition of the Industrial Exhibition Association to have their cattle on exhibition at their annual Fair from the morning of Thursday of the first week will be to the interest of the Exhibition as well as to the Association and general public. Be it resolved, That we concur in the proposition and are willing to have our cattle on hand at that time if so desired by the Association.

Moved by Mr. Ellis, seconded by Mr. Clemons, that the Association desire to express their dissatisfaction with the careless manner of appointing judges at fairs, by selecting judges to judge breeds of which they were not breeders. Carried. The Secretary was instructed to send copy of this resolution to the secretaries of the leading fairs.

Expert judges were recommended for the following fairs: Industrial Exhibition.—H. B. Maggett, Oneonta, N.Y.; D. J. Hinkley, Brockfield, N.Y.; S. Burchard, Hamilton, N.Y.; W. K. Sexton, Howell, Mich. Western Fair.—C. V. Sealey, Bay City, Mich.; A. E. Riley, Walled Lake, Mich.; W. K. Sexton, Howell, Mich.; Wm. Westover, Bay City, Mich. Montreal Fair.—T. B. McCauley, Shoreham, N.Y.; H. D. Warner, Pawling, N.Y.; Wm. Shunk, H. R. Crump, Massville, Ottawa, Ont. Toronto Milking Dairy Test.—Moved by H. Bollert, seconded by C. J. Gilroy, that the Association duplicate the prize or prizes offered by the Industrial Exhibition Association, and in addition we offer \$50 for the best Holstein registered in the C. H. F. B., which has won first premium, and \$50 for the next best Holstein registered in the C. H. F. B. Carried.

It was recommended that prizes be given to the largest producing cow; products from milk produced only to be considered.

Moved by Gilroy, seconded by Ellis, that \$50 be granted to each of the following fair boards for a dairy test similar to that of Toronto, viz.: Montreal, Winnipeg, and the Ontario Fat Stock Show, distributed as follows: \$25, open to all dairy breeds; \$25, open only to Holsteins registered in the C. H. F. H. B., \$15 of which to the best Holstein, providing she has not won an open prize, and \$10 to second best. Carried.

It was decided to secure information regarding obtaining a charter from the Dominion Government.

The following officers were elected for 1896-7:—President, H. Bollert, Cassel; First Vice-Pres., R. S. Stevenson, Ancaster; Second Vice-Pres., A. C. Hallman, New Dundee; Third Vice-Pres., Wm. G. Ellis, Toronto; Fourth Vice-Pres., C. W. Charlton, St. George. Directors for two years—C. J. Gilroy, Jr., and A. Hoover, Jr. Auditors—Messrs. Shuring and Patten. Sec.-Treas., G. W. Clemons. It was resolved that the Secretary of the American H. F. A. be elected an honorary member. Delegates as follows were appointed: To the Toronto Industrial Fair Board—Wm. Shunk and W. G. Ellis; Ottawa Fair—Jos. Fletcher and J. H. Loucks; Western Fair—R. Howes Crump and J. W. Johnston; Montreal Fair—C. J. Gilroy and Thomas Davidson; Winnipeg Fair—W. J. Young and James Glennie; Brandon Fair—D. Marwood and D. McNaughton; Dec. Fat Stock Show—A. C. Hallman and G. W. Clemons.

Meeting of Guelph Fat Stock Club.

The annual meeting of the Guelph Fat Stock Club was held in the Council Chamber, on Feb. 5th. There was a large attendance. Mr. James Millar, President, in the chair. The annual report showed a balance to the credit of the Club. Mr. James Millar, who has been the efficient President of the Club for the past five years, and who has done so much in promoting its interests, asked to be relieved of the duties of that office.

The following are the officers for the year: President, H. Wright; First Vice, J. I. Hobson; Second Vice, W. Hearn. Directors—William Laidlaw, James Anderson, Alf. Hales, John Tyson, James Taylor, President Mills, O. C. George Whitlaw, J. Fahg, Professor Day, George North, A. Bolton, A. Stone, W. J. Kudd, J. M. Duff, and James Millar. Auditors—James Laidlaw, John, and James Wright. Secretary-Treasurer, John McCorkindale.

It was decided that the annual Christmas Show be held about the usual time in the middle of December.

The President, ex-President, First and Second Vice Presidents, and Secretary were appointed a committee to meet the Sheep and Swine Breeders' Association, Cattle Breeders' Association, and other live stock associations in connection with holding the Provincial Fat Stock Exhibition in Guelph this year.

The three prizes offered by the American Berkshire Association for essays on the history, breeding, etc., of the "Berk." were all won by Prof. Thos. Shaw, of the Minnesota Experiment Station. Competition was open to the professors and students of all the U. S. agricultural schools and colleges.
