sweet calf of rare quality and promise, ich would be useful in a herd of the most sot breeding. From Mr. Ross, Upper Park, re was purchased the first prize heifer at schory. Red Ross, a two year-old full Shethin breeding, through the Waterloos and Possamarys. Some beautifully-bred Banchory, Red Rose, a two-year-old full of Shethir breeding, through the Waterloos and the Rosemarys. Some beautifully-bred Shorthorns were bought from Mr. A. Campbell, Deystone, Kintore. The first of these is a two-year-old Clara, named Cecil, by Clan Alpine, and out of Countess, by Royal James. This is a rich-colored red, inheriting the blood of one of the most valued tribes of the late Mr. Sylvester Campbell, and going back to a dam by the great show bull Scarlet Velvet, a prise-winner this year at Blackburn, she will make a grand investment to some plucky bidder. In the same herd Mr. Isaac secured the yearling heifers Donside Beauty and Nonpareil Srd, by Clan Alpine, and from Nonpareil Gem, by First Con-ul, a nice red with a lot of Crulckshank blood in her veins; and the bull calvee, Masterpiece, by Clan Alpine, and out of Countess, by Royal James; Sovereign, by Emancipator, and from the Claret cow, Doneide Lillie, and Prince Alpine, by Emancipator, and out of Lady Alpine, a very old Kinellar sort, the last two being animals of more than average merit. The last of this valueble consignment, which, it may be mentioned, have been all tested and frund to be thoroughly sound, is a bull calf. Borneo, purchased from Mr. Moir, Shadowside, after Scottish Victor, champion bull at Udny, and out of a Lady Dorothy dam, which traces through the Tilly-greig herd to that of Mr. Mitchell, Auchnagathle.
