

“To Inform the Mind and Awaken the Conscience”

CANADIAN CHURCHMAN READERS:

Among Anglicans there is a lack of information regarding the Church at large which may be attributed to indifference or to ignorance of the existence of periodicals that tell of the Church's activities.

One of the problems of the Nation-Wide Campaign is to remedy this condition. The religious papers are co-operating by making special six month offers to new subscribers.

You who know “The Canadian Churchman,” won't you help in this work? Many of your friends never see a church paper. Tell them about “The Canadian Churchman.” If it has interested you, let them know it. Tell them they may subscribe for six months for \$1.00, and urge them to do it.

Possibly some of you will want to subscribe for your friends. The offer is open to you as well.

Your loyal support has always been a matter of supreme gratification to us. It is needed now as never before so that our church people may awake to their responsibilities as churchmen through a knowledge of what the Church is doing.
