**SYNOPSIS OF CANADIAN NORTH-WEST  
HOMESTEAD REGULATIONS.**

ANY even numbered section of Dominion Lands in Manitoba or the North-West Provinces, excepting 8 and 26, not reserved, may be homesteaded by any person the sole head of a family, or male over 18 years of age, to the extent of one-quarter section, of 160 acres, more or less.

Application for homestead entry or inspection must be made in person by the applicant at the office of the local Agent or Sub-agent.

An application for entry or inspection made personally at any Sub-agent's office may be wired to the local Agent by the Sub-agent, at the expense of the applicant, and if the land applied for is vacant on receipt of the telegram such application is to have priority, and the land will be held until the necessary papers to complete the transaction are received by mail.

In case of "personation" the entry will be summarily cancelled and the applicant will forfeit all priority of claim.

An applicant for inspection must be eligible for homestead entry, and only one application for inspection will be received from an individual until that application has been disposed of.

A homesteader whose entry is in good standing and not liable to cancellation, may, subject to approval of Department, relinquish it in favour of father, mother, son, daughter, brother or sister, if eligible, but to no one else, on filing declaration of abandonment.

Where an entry is summarily cancelled, or voluntarily abandoned, subsequent to institution of cancellation proceedings, the applicant for inspection will be entitled to prior right of entry.

Applicants for inspection must state in what particulars the homesteader is in default, and if subsequently the statement is found to be incorrect in material particulars, the applicant will lose any prior right of re-entry, should the land become vacant, or if entry has been granted it may be summarily cancelled.

DUTIES.—A settler is required to perform the conditions under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother if the father is deceased) of a homesteader resides upon a farm in the vicinity of the land entered for by such homesteader the requirement as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirement may be satisfied by residence upon such land.

Before making application for patent the settler must give six months' notice in writing to the Commissioner of Dominion Lands at Ottawa, of his intention to do so.

YOU HAVE BEEN WAITING A LONG TIME FOR  
**SOMETHING NEW AND  
BETTER on the SUNDAY  
SCHOOL LESSONS**

HERE IT IS:

**Tarbell's Teachers' Guide**

NEVER was a book accorded more immediate, unanimous and enthusiastic praise than greeted Tarbell's Guide for 1906. It was hailed at once as the most complete, suggestive and useful volume of commentaries on the S.S. lessons ever written.

Dr. Henson Tremont Temple says, "It is positively the best thing of the kind I have seen."

Dr. Torrey says, "The most complete book for S.S. Teachers that I have seen."

Dr. Weyland Hoyt: "I shall myself steadily use it, and know nothing better for the teacher."

Rev. J. W. MacMillan, St. Andrew's Church, Winnipeg: "I have been surprised and delighted with it, and feel some regret that I have taught the S.S. Lessons so many years and lacked so excellent a help."

We could fill pages with commendations of this book, but try it for 1907 and you will be convinced that it's absolutely the best there is. It costs no more than others.

Over 500 pages, 6 x 9 inches, illustrated with innumerable drawings, maps, charts, designs and photographs, including some full page pictures from the famous paintings of Tissot. Handsomely bound in cloth. Price \$1.00 net, postage extra. Circular free to any address.
