The Canadian Land and Emigration COMPANY

Offers for sale at Cheap Rates, on condition of settlement,

FARM LOTS, IN DYSART, And adjoining Townships, in the County of Peterborough.

THE greater portion of the Company's block of nine Townships is excellent farming land. The Judges at the Provincial Exhibition at London, in 1865, awarded to the Company a Special Prize, and at Kingston, in 1867, a Diploma for the assortment of Farm Produce from their settlements. The country is well watered, healthy and picturesque. Dysart is a well settled Township, with mills, schools, &c., while stores, post-office, boarding-houses, &c., are established in the Village of Haliburton. There is also a rising settlement in the Township of Harcourt; and along the Peterson road the settler has a choice of good Farm Lots in no less than six Townships.

The communication to the Townships is good, a great part of it by Railroad and Steamboat.

The Bobcaygeon, Opeongo, Peterson, Mississippi, and Hastings Roads will all give access to the Company's block, but other roads are being opened up, giving a more direct communication with the County Town of Peterborough.

The Company has expended a considerable sum in the construction of Roads to and through its Townships, and has still a large appropriation for this purpose.

Dysart and adjoining Townships, the property of the Company, form one Municipality which cannot fail to make more rapid progress than any of the Municipalities in that section of the country, on account of the large sum levied every year from the Company.

For further information and particulars and conditions of sale, apply to the Secretary,

Phoenix Mutual Life Insurance Co. HARTFORD, CONN.

Accumulated Funds, \$2,000,000, Income, \$1,000,000

THIS Company, established in 1851, is one of the most reliable Companies doing business in the country, and has been steadily prospering. The Massachusetts Insurance Reports show that in nearly all important matters it is superior to the general average of Companies. It offers to intending assurers the following reasons, amongst others, for preferring it to other companies:

It is purely Mutual. It allows the Insured to travel and reside in any portion of the United States and Europe. It throws out almost all restriction on occupation from its Policies. It will, if desired, take a note for part of the Premium, thus combining all the advantages of a note and all cash company. Its Dividends are declared annually, and applied in reduction of Premium. Its Dividends are in every case on Premiums paid. The Dividends of the PHOENIX have averaged fifty per cent. yearly. In the settlement of Policies, a Dividend will be allowed for each year the policy has been in force. The number of Dividends will always equal the outstanding Notes. It pays its losses promptly—during its existence never having contested a claim. It issues Policies for the benefit of Married Women beyond the reach of their husband's creditors. Creditors may also insure the lives of Debtors. Its Policies are all Non-forfeiting, as it always allows the assured to surrender his Policy, should he desire, the Company giving a paid-up Policy therefor. This important feature will commend itself to all. The inducements now offered by the PHOENIX are better and more liberal than those of any other Company. Its rate of Mortality is exceedingly low, and under the average.

Parties contemplating Life Insurance will find it to their interest to call and examine our system. Policies issued payable either in Gold or American currency.
