Canadian League Franchise To Be Placed in Toronto

International Club Owners Purchase Berlin Club Franchise—Erie Territory Awarded to Fitzgerald Circuit and Will Replace Guelph.

HAMILTON, Jan. 12.—Bright days are ahead for the Canadian League. President James P. Fitzgerald of the Canadian League, announced that the league has been granted the Erie, Pa., territory by the National Commission and that the Guelph franchise would be transferred there.

For the benefit of the fans it might be said that Percy Kerwin is secretary of the Toronto International League baseball club and that the understanding is that he has purchased the Berlin club for the Toronto club, which intends to place the franchise in Toronto.

President Fitzgerald would not say if this was true or not. Other than to repeat that Percy Kerwin had purchased the Berlin franchise and would leave for that city at once to close the deal, he would not talk.

The Toronto Federal League are still very much in the air. Beyond the positive statement that this city will be represented in the new league and the vague suggestion that efforts are being made to sign players, there is nothing doing.

GUELPH CLUB SOLD; MAY GO TO ERIE, PA.

GUELPH, Jan. 12.—The baseball situation so far as Guelph is concerned, appears to be cleared up now, unless something unforeseen turns up to change the plans made by the owners of the clubs in the Canadian League.

On Saturday Mr. George H. O'Neil, who purchased the Guelph franchise from W. A. Mahoney, handed over to Mr. Mahoney a cheque for \$2,450, the balance due, which was payable before January 15, Mr. Mahoney who has done his best to provide the fans of Guelph with baseball for the past three seasons, is out of the game, and will devote all his time to his business interests.

Mr. O'Neil when interviewed here stated that he had made the people of Guelph a fair proposition, whereby they might get the franchise back from him, but they had failed to come across, and now it was too late.

It is very sweet on the Erie prospect, and is confident that the Canadian league will be much stronger with that city. He has not, however, concluded the deal, whereby the club will be taken to Erie, and there may be some drawbacks.

The sale of the Berlin club to J. J. McCaffery of the Toronto Club would seem to indicate that Toronto would be the eighth city in the league, as it is understood that is the plan at present.

When Mr. O'Neil left here for home he would not state definitely whether he was going to Erie or not, but intimated that he might be compelled to keep the club in Guelph this year.

The whole matter will be settled at the next meeting of the Canadian League in Toronto on Friday of this week.

Manager Ladlaw of the Argonaut seven who yesterday returned from their trip to Syracuse, where they played two games, reports that the other side of the border and that only one penalty was inflicted during the two games.

Toronto Canoe Club and University of Toronto juniors meet to-night at the Arena for the first time in their O. H. A. group, and from the showing both teams have made in their previous game, a hard fast game should result.

The management of the teams have had a chance to strengthen the weak spots on their teams and much better hockey should be seen than that shown recently.
