Beecham's Pills. A harmless vegetable remedy, which acts immediately on the stomach, liver, bowels and kidneys, toning and putting them in good working order. Millions of people sleep well and keep well because, at the first unfavorable symptom, they begin to take

Cold Weather Kept Most People Indoors-How Day Was Spent.

Brantford celebrated Thanksgiving Day indoors yesterday. The weatherman fell down just the very day he was expected to deliver the goods. For the past week the mer- on the premises of the Brantford

can enjoy the pleasures of motoring through the country lanes, therefore the downtown amusement houses were taxed to capacity. Long lines of waiting movie enthusiasts could be seen impatiently waiting their turn to while away an afternoon or the door had been dropped. evening at some favorite resort. The the afternoon were baseball fans, bad blaze might have resulted. As whose interest in the world series at it was, the loss was light. Brooklyn was of such absorbing importance that they waited on the sidewalks adjacent to the newspaper offices for hours eagerly scanning the score boards which gave them a prompt idea of what the two premier merican teams were doing across

But most important of the day's occeedings was the devotional ser-

There is a large section of the citizens who still favor the better and more spirtual enjoyment of Thanks-giving Day. In this time of war they believe that there are still many things to be thankful for, and expressed their appreciation by attending church in large congregations.

A Fire Was Stopped in the Nick of Time.

Another mysterious fire took place when the citizens more or less sweltered and got ready for a glorious outdoor picnic. But disappointment was their's. Ominous clouds gathermary dept. brought the oldest person, her grandmother, Mrs. Lamb; Mrs. W. Douglas, the younger, Myrtle L. Magee, "37 hours old." We think that Elm Ave. Sunday school can rightly claim having the youngers of the Brantford on Saturday night. There are now two watchmen on duty, and about 7.30 one of them noticed smoke in the main factory building. The alarm soon brought the fire willed the mercury took up its autumnal location around the 50's. After the warm spell Saturday it was decidedly chilly claim having the youngdecidedly chilly, a typical autumn day of the coolest sort.
