TORONTO DRESSED HOGS. Toronto, July 9 .- Dressed hogs nomDoctors not seldom give up a case, but a mother never does. While life lasts, while there is a spark of vitality which love's labor may fan into a flame, she toils untiringly for the child she brought into the world. And sometimes where the doctors fail the mother succeeds. She has no prejudices. Any means she will use which will save her child.

The mother's prescrip-

her child.

The mother's prescription given below is a case in point. Her daughter was given up by physicians as suffering from an incurable disease, called "wasting of the digestive organs." The mother prescribed Dr. Pierce's Golden Medical Discovery and "Pavorite Prescription," and had the happiness of seeing her daughter restored to perfect health.

Golden Medical

Discovery cures stomach and other organs of di-gestion and nutrition. It is a nerve-nourishing, flesh-forming medicine— making new blood and new life. "Golden Medical Discovery" contains no alcohol and it is absolutely free from opium, cocaine and all other narcotics,

It is a true temperance medicine. It is a true temperance medicine.

"My sister (of Arlington, Washington Co. Nebr.,) was taken very sick and had severa doctors," writes Mrs. C. L. Harrison, of Elk City, Douglas Co., Nebr. They could not do her any good, and told my mother they would not come any more, as no doctor could help her, that she could not get well. She had 'wasting of the digestive organs.' My mother said to my sister. 'Well, I almost know that Dr. Pierce's medicines will cure her.' So she bought six bottles—three of 'Golden Medical Discovery three of 'Favorite Prescription,' and some of the 'Pellets,' and now my sister is a well woman.

"We thank you for your medicine."
