Duke Desires to Witness Baseball, Lacrosse and Football Games While in Canada.

Montreal, Sept. 5.—Local militiamen who will have to go to Quebec to take part in the big review in honor of the Duke and Duchess of York are complaining about the allowance of 25 cents a day, which, it is claimed, is all that will be allowed them by the militia department.

Lord Strathcona and Hon. Senator Drummond, chairman of the citizens' reception committee, have returned from Quebec, where they met Lord Minto, and submitted to him the program which had been arranged for the entertainment of the Duke and Duchess of York on Sept. 18th and 19th. The program has been called to His Highness for approval. As the Duke had expressed a desire to see baseball, lacrosse and football games, Montreal and Toronto will play ball here for the royal party on the afternoon of the 19th. A lacrosse match will take place at Ottawa and football at Toronto.

CANADIANS ARE WINNERS

Beat the Yankees for World's Championship at the Ranges.

Won the Palma Trophy With a Margin of Twenty-Eight Points—Special Challenge Match.

New York, Sept. 5.—The Canadian and American riflemen held a long session to-day on the state rifle ranges at Sea Girt, N. J., in the contest for the American Continental Palma trophy, emblematic of the world's championship, and the Canadians won by a margin of 28 points. The utmost good fellowship prevailed during the match, which was very close up to the last stage. Two of the members of the Ulster Rifle Association of Belfast, Ireland—W. T. Braithwaite and Thomas Robertson—acted as coaches for the Dominion representatives, and the Americans had Gen. B. W. Spencer, with some of his officers, attending them in a similar capacity. The conditions of the contest called for the use of the national arm of the country represented by the teams, so that it was practically a duel between the American Krag and the English Lee-Enfield weapons. The Canadians used orthodox sights, while the Americans had service sights. The shooting done by at least one of the American teams was a revelation to their opponents. Many of the Ulster men who saw it had nothing but the highest praise for the exhibition given by Lieut. Leizer, of Washington D. C., who made the highest and collective best individual score in the match, which was shot in three stages, 800, 900 and 1,000 yards.

The carbine team match was won by the men from the First Troop of the National Guard of New Jersey, which is known as the Essex Troop. In the Schutzen match at the 800 yard range, D. W. G. Hudson has top score of 216 out of a possible 225 on the German ring target, and is tied with Harry M. Pope, of Hartford, Ct., and Michael Robertson, of Jersey City, each having 139 out of a possible 150 on the standard American target.

The special challenge match at 800, 900 and 1,000 yards between teams of eight men each for the Ulster Rifle Association of Belfast, Ireland, and the New Jersey Rifle Association will be the big attraction to-morrow, and the men will occupy the long ranges during the rest of the day, and the result will not be known until late in the afternoon.

Following is a summary of the Canadian-American match and the leading scores in the Schutzen contest. Ranges 800, 900, 1000 and total Canadians.

A DELIBERATE SUICIDE

New York, Sept. 5.—The climax to a dinner party given by Mr. and Mrs. Albert E. Peters at their home on 116th street, in this city, came last night, when Mrs. Peters deliberately walked to the sideboard, filled a liquor glass with carbolic acid, and having her guests, drained the glass. Her action, it is said, was brought about by a reproach from her husband before the rest of the party. After she had drunk the poison and physicians were called, Mrs. Peters was only 26 years of age, begged the doctors to save her life. Everything possible was done, but she died some 24 hours later.

HARBERT WAS FINED

Judge Houston Convicted him on the Charge of Creating Disturbance.

Other Case Resulting From Idlewild Hotel Row Going on this Afternoon.

The case against the three colored men, Fred Harbert, William Groat and Philip Carter, charged with destroying the windows in the door of the hotel owned by Mr. O'Mara, came up before Judge Houston at the police court this morning. This is the case which arose out of affray at the Idlewild Hotel last Monday night, when the proprietor of the hotel refused to give Harbert a drink of liquor.

Harbert knew that Mr. O'Mara did not sell liquor to colored men and went there to have a row with him on this account.

When asked by his companions did not go with him he replied that they thought they were too black.

"Did you think that Mr. O'Mara would think you were a white man?" enquired the magistrate.

"Oh, I thought I might pass," replied the prisoner.

When Mr. O'Mara refused the drink, Harbert became wrathful and thought he was insulted. He went away and came back again and then it was that the fight occurred at the door of the hotel. Harbert claimed that the windows were not broken by him, saying that one was broken by a ginger beer bottle thrown through it by Michael O'Mara, and the other by Mr. O'Mara himself, who knocked it out with a "billy."

Mr. O'Mara and his witnesses, however, swore that both windows were broken by Harbert.

After a strong speech made by Mr. Richards for the defense, in which he pointed out the fact that Mr. O'Mara, keeping a public house, was obliged to sell liquor to everyone. The magistrate gave judgment for the plaintiff, fining Harbert \$5.00 and costs be \$13.05 in all.

Groat and Carter were dismissed. An insulting language case was withdrawn.

The case of Morrell vs. Harbert for assault was adjourned until this afternoon at 2.30.

The case of Siddalls for fighting and Martin Carbyle for selling liquor during prohibited hours, were laid over for a week.

Autumn Wear for Boys

Put yourself in the boy's place and consider what kind of duds you would want to wear—especially to school.

Neat, shapely garments made to stay in shape as long as possible, tough cloth that doesn't roughen for every hard rub, friendly serviceable colors that can hide a spot or a fruit stain.

Yes, and good sewing. When you sew for a boy you've got to give your mind to it. Linings, trimmings and buttons will fly apart some day unless they're extra well anchored.

That's the principle we go on. And, speaking of buttons, there is a machine in the factory now that sews them on. It's one of the newest modern marvels, that machine—sews a 4-hole button as cheerfully as the 2-hole kind, and makes a firmer job of it than you can by hand.

We do not hesitate at all to say that these 2 and 3 piece suits of ours are the best value mothers can buy in Chatham for the prices. Purchasers shall judge whether we claim too much, and we welcome the judgment that is built on experience and honest comparison.

2-piece suits range up to 13 years in size; 3-piece up to 16 years. Many moderate prices in tweed, worsted and fancy suitings.

Wear-diffusion.

Turn up the sole of an old shoe!
You'll find it worn out in spots only.
Lots of leather unused, wasted. A few square inches only, ground away under pressure points of foot sole.

Heels worn down at outer edge, causing shoe to twist.

Not so with **The Resilia Sole** in the \$5.00 Slater Shoe!

Observe how it flattens when borne upon, through the compression of the rebounding Centresole.

Reflect that this flattening means diffusion of wear, all over the sole of the shoe.

FRANCE AND RUSSIA.

Paris, Sept. 5.—The Liberte to-day says it learns that negotiations for a revision of the customs tariffs of France and Russia are proceeding, and that probably a treaty will be signed during the Czar's stay in France. Russian duties on French wines will be considerably diminished, while France will make concession in the case of Russian petroleum.
