## A BIG LOSS TO US-- A BIG SAVING FOR YOU

### This Mid-season Sale of High-class Summer Suitings

We are going to continue this sale of suitings this week. We want to clear every yard. We want the money to put into other lines that we hope will be more profitable. We wouldn't be here long if we did business along the lines we've been doing it the last two days.

**\$1.00 Suitings Worth \$1.25 on Sale at Per Yard 67c.**

These suitings first saw light in Chatham during our millinery opening week. Every yard is new, correct and stylish for this season's wear. Do not miss this opportunity to have a skirt or suit of one of the most stylish suitings ever shown in Chatham for such little prices.
