If the Suffers from Consumption, Scrofu'a and General Debility, will try Scott's Emulsion of Cod Liver Oil, with hypophosphites, they will find immediate relief and a permanent benefit. Dr. H. V. Mott, Brentwood, Cal., writes: "I have used Scott's Emulsion with great Specialty 700 advantage in cases of Phthisis, Scrofula and wasting Diseases. It is very palatable. Put up in 50c. and \$1;size. Packages Feb. 1-4w.

> Having been asked to what he attri ted his careful and precise business habits. President Cleveland replied :-To the fact, that I was often of money when I was a boy. I learned frequently from want of it the exact value of a York shilling, and I learned that shillings could not be honestly earned except by strict economy and great attention to the details of busi-

> > Mothers!

Castoria is recommended by physiallays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the childrens' panacea—the mothers' friend. 35 doses,

35 cents. Eleven years ago, 250,000 shad eggs were taken from Deleware River, hatched in California and deposited at the Sacramento River, and so great has been the increase that shad to the value of a million dollars, was last year sold in the San Francisco market. The shad have extended north, in small numbers, as far as British Columbia, where great increase may be expected.

How to Get More Eggs. It is a fact but little known to people who seep poultry, that the first part of a hen which becomes disarranged on the approach of dis-sase, is the ovaries or egg producing organs. Excess of fat, exposure to wet and cold, poor condition, shedding feathers, improper food, want of exercise, or lack of certain elements in the food to develope the embryo egg, will all produce the same effect and cause the hens to

top laying.

It cannot be laid down as an "ironelad" tole, that when a hen ceases laying it is a positive sympton the will soon be sick; but it can e stated with the utmost assurance tha

the stated with the utmost assurance that something is wrong or she would not cease laying for weeks, and often months.

The annual egg product per hea, in this country, ranges from three to eight dozeneach. Now this is by far too small. There is ne earthly reason why every hen that lays at all, heald not be made to lay from ten to fifteen dozen eggs each per year, and continue to do so for at least five years. We know of parties who get eggs at that rate in mid-winter in our

How to get eggs in cold weather interests

many eggs."

I. S. JOHNSON & Co., 22 Custom House of the storm are disastrous. I. S. JOHNSON & CO., 22 Custom House Street, Boston, Mass., are the only manufacturers of Sheridan's Powder to make hens lay. If you cannot get it of your nearest druggist or general storekeeper, Johnson & Co., will send the Powder by mail or express, to any address, charges prepaid, as follows:—For 50 cents in stamps, two small packs; for \$1.00, five packs. Or for \$1.20, a large 2½ pound can will be sent, six cans for \$5.00, express prepaid to any express office.

"What did you marry my son for? clergyman who had just united his runa-way scape-grace in the holy bonds. 'Two dollars," he meekly answered, to be charged to you."

MESSRS. C. C. RICHARDS & Co. Dear Sirs.—I took a severe cold in February last which settled in my back fatally. and kidneys, causing excruciating pain.
After using several other preparations first application I was so much relieved that I fell into a deep sleep and complete recovery shortly followed.
