BILL GLEASON'S GOOD RECORD

He Will Pitch for Hamilton in the International League.

Union League May Put a Team in Toronto—Football Club to Hold a Benefit Meet.

Manager Paige, of the Hamilton Baseball Club, says that Bill Gleason who has been signed by him for the coming season pitched for three years for the famous Dartmouth College nine and was looked upon as one of the best college ball tossers in the east.

LACROSSE OUTLOOK.

St. Catharines Will Have a Senior Team.

St. Catharines, March 31.—The old stand-by in sports in St. Catharines is lacrosse. The enthusiasts of this vicinity are always the last to get into the game, but they are likewise the last to quit.

COMMENT AND GOSSIP

Richmond, Va., March 31.—A series of three games will be played between the Toronto team, who arrived here last night from Charlottesville, and Richmond, of the Virginia League, commencing to-morrow.

There is one sporting writer in the city who seems to have a grudge against homing pigeons. Perhaps he prefers "tumblers."

Peterboro Players Signed. Peterboro, March 31.—Harry Burridge, formerly of Toronto, who caught for the Peterboro Midland League team last summer, has been signed by the Youngstown team, of Pennsylvania, Ohio, League, and will return here in April.

Toronto and the Union. Toronto, March 31.—Billy Baxter, who was formerly identified with the Toronto Club of the Eastern League, says he is not out of the game yet.

His Majesty has given the name Vain Air to the yearling filly by Ayrshire, out of Vane, and the yearling filly by St. Simon, out of Laodamia.

Swamy is Dead. Newark, N. J., March 31.—Charles J. Swamy, an expert baseball player, who played with the famous "Cincinnati Reds," under the management of Harry Wright, died yesterday in the city hospital, at the age of 61 years.

During his career on the baseball diamond Swamy played with the Olympic club of Washington, the Forest City of Cleveland, the Boston Red Stockings and the Cincinnati and Providence National League teams. He retired from the game in the early eighties.

Crawford, the Providence shortstop, is dead in Texas, of blood-poisoning. Buffalo defeated the University of South Carolina 8 to 0 yesterday. Cincinnati Nationals won from the Boston Americans by 2 to 1.

STRONGER DOZEN THAN THAT OF LAST YEAR, WHO WENT THROUGH THE WHOLE SEASON WITHOUT A DEFEAT, CAN BE SELECTED TO AGAIN DEFEND THE GLOBE SHIELD. BRANTFORD LOOKS POOR.

Brantford, March 30.—The prospects for a senior team here are not bright. For a week or two past efforts have been made to get players, but serious difficulties have been encountered and it is likely that Brantford this year will have to be content with teams in the intermediate and junior series.

NELSON AND ATTEL.

Fifteen Round Bout at the Coast To-night.

San Francisco, March 31.—Abe Attel and Battling Nelson wound up their work yesterday afternoon and are ready for the going to-night. The Bettler is down to 133 and says he expects to win before the limit. Abe has not been training to reduce, but rather trying to build himself up to 128 pounds. He figures that he will be able to elude the heavy-hitting Hegewisch boy for the 15 rounds and peak away at him with his lightning jab.

The betting, which has been slightly in favor of the last few days, shifted to-night to even money and that is the best that can be had to-day. Nelson money coming into town was responsible. There are few bets being made to-night.

Nelson is expected to be nearly all his training in public, inviting everyone to see him work out. It is his desire to disprove what has been said of him since his battle with Britt—that he cannot carry as full a head of steam as formerly.

Former Jockey Tod Sloane has discovered a new way of making a living. He has turned author, and relates his experiences while riding for W. C. Whitney. He tells how Mr. Whitney gave him \$14,000 after winning an important race, but fails to explain what he did with it.

The formal meeting to complete the organization of the British Columbia Amateur Athletic Union will be held in Vancouver on the 10th of April. The form of the new body has been decided on, also the essential point that the definition of the Canadian Amateur Athletic Union shall prevail.

Just to make Paris green with envy, Tommy Burns has decided not to go to France, says a Toronto sport.

OLD TORONTO CRICKET CLUB STILL ACTIVE.

Toronto, March 31.—The turn-out at the annual meeting of the Toronto Cricket Club at the King Edward Hotel last night indicated that the old club still holds the interest of its members. The committee's report pointed out that though last season 23 matches were played, the Toronto Cricket Club ought to play more than 23 matches in a season, and the new committee should seriously consider whether it would not be possible to arrange for two matches each Saturday. If that were done then each member could reasonably expect an opportunity of playing in at least one game each week, which is not possible when only one match a week is played.

The following officers were elected: Hon. President, President Falconer, Toronto University; President, J. W. Woods; Vice-Presidents, Clarkson Jones, Davidson Harman, A. Gillespie, Lyndell Ogden, J. E. Hall; Auditors, B. D. Saunders, C. L. Worsley; Secretary, Treasurer, W. S. Greening; Assistant Sec.-Treasurer, P. E. Henderson; Executive Committee, H. L. Lownders, D. W. Saunders, S. R. Saunders, W. J. Fleury, Dr. Dean, Morley Whitehead, Ewing Peffer, Norman Seagram.

A trip to Chicago will likely be made this summer in response to the invitation of the Wanderers, who visited Toronto in 1907.

Six-Night Roller Skating Grind.

The six night roller skating grind commenced at the Britannia Rink last night, one hour after schedule time. The start was held delayed an hour, as the train on which Stevens Bros., of Rochester, and Basore and McKenna, of Lockport, were expected was late.

INDIAN VILLAGE DESTROYED.

Two Lives Lost in Fire—News From Pacific Coast. Vancouver, B. C., March 30.—Geo. A. Malkin, a well-known business man, formerly manager of the Vancouver Engineering Works, was arrested this afternoon charged with procuring an abortion on Ilanchoe Bond, a young Portland girl.

TEACHER AND PUPIL DEAD. Case of Murder or Suicide at Cleveland. Cleveland, Ohio, March 30.—The bodies of Carl Bernthal, a music teacher, and of Miss Lena Zeichmann, a public school teacher, were found in a field near Euclid Heights, a suburb, to-day. Both had been shot through the heart, and it is thought that either both were murdered or that the woman killed the man and then shot herself.

Bernthal was a married man, about 55 years, and leaves a family. Miss Zeichmann was about 28 years old. A daughter of Bernthal says that Miss Zeichmann appeared to be in love with her father. She was his pupil. He had taught her to play the flute.

ONE SHARE OF STOCK. Brought the Woman Who Held It \$1,500. New York, March 30.—The Delaware & Hudson Company has been successful at last in the efforts which it has been making for years to buy one share of the common stock of the New York & Canada Railroad, which was all of the \$900,000 stock of that road which the Delaware & Hudson had not owned.

This one share was held by a woman, who until recently had paid no attention to the repeated requests made on behalf of the railroad that she set a price on her one share. At last she has sold out. She got \$1,500 for this \$100 worth of stock, which has been paying no dividends. It was bought by one of the officers of the road, and before he can transfer it to the railroad itself permission must be had from the Public Utilities Commission.

The value of this one share to the railroad lies in the fact that at it is required the Delaware & Hudson can merge in its own road the property of the New York & Canada, which runs from Whitehall to Rouse's Point, and can include in its own earnings "those of this road instead of taking the road's earnings into its own treasury through the payment of dividends on the stock of the New York and Canada.

The latter has been paying 4 per cent. on its preferred, but nothing on its common stock.
