

MUNICIPAL ELECTIONS.

Yesterday, Tuesday 7th August, will be a memorable day in the history of Charlottetown, and will, we cannot suffer ourselves for a moment to doubt, be the commencement of an era of increased prosperity to the new city. As much will depend on the line of conduct adopted by the municipality and as the future will be in a great degree influenced by the measures they originate, so we trust that nothing will be decided on without the utmost deliberation and caution. The law invests the Mayor and Common Council with very extensive powers and it will be their duty to use these powers with discretion, so as best to promote the happiness and welfare of those who have this day by their suffrages raised them to these honorable stations. It is not our intention to make any remarks on the qualifications of those elected: any such criticism would be unfair because premature. They are all untried men and have been the chosen of the respective constituencies from a knowledge of their private worth and the honesty and integrity of their characters. Their year of probation is before them, and they will doubtless be anxious so to perform their respective duties, that at the anniversary of the day they may be able to give a good account of their stewardship. The quietness, moderation and good order which has attended the first election of Mayor and Councilmen in the City of Charlottetown is a favourable omen and augurs well. The following are the successful candidates.

The Heron family have given two musical entertainments on the last and previous evening to overflowing houses.

We have repeatedly said, that we know nothing of the science of music, and for that reason, do not pretend to set up for critics; but we have heard from those upon whose judgment and knowledge we place the greatest reliance, that the Misses Heron, are fully deserving of the high reputations they have gained. We consider ourselves however, in common with the crowded audiences, a better judge of the comic powers of Master John, and the very young gentleman whose name did not appear in the bill, of both whom, we will venture to predict, that if their future progress keeps pace with their present promise, they will both become first rate comic actors.

In both of these there is the true *vis comica* the power of entering into and identifying themselves with the characters they are personifying. Master John's enunciation is however, too rapid, but this is perhaps inseparable from his youth, and will be gradually amended. They advertise their last entertainment for this evening, under the patronage of His Excellency the Lieut. Governor. That of last evening, was under the patronage of the Mayor elect.

HOLLOWAY'S OINTMENT.

EXTRAORDINARY CURE OF ASTHMA!! OF AN OLD LADY SEVENTY FIVE YEARS OF AGE. Copy of a Letter from Mr. Thomas Weston, (Book Store), Toronto, dated the 9th October, 1854. To Professor Holloway. Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood; it was quite agony to see her suffer and hear her cough; I have often declared, that I would give all I possessed to have her cured; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her; at all events I resolved to give them a trial, which I did; the result was marvellous: by slow degrees, my mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy-five years old. I remain, Sir, Your obliged, THOMAS WESTON. (Signed)

REMARKABLE CURE OF DROPSY.

AFTER BEING TAPPED THREE TIMES. Copy of a Letter from Anthony Smith, Esq Halifax, Nova Scotia, dated the 25th August, 185 To Professor Holloway. Sir,—I desire to add my testimony to the value of your Pills, in cases of dropsy. For nine months I suffered the greatest torture with this distressing complaint; was tapped three times, and finally given up by the doctors; having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then, that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cured. I have since enjoyed the best of health. I am, Sir, Yours sincerely ANTHONY SMITH. (Signed)

ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT!!

Copy of a Letter from William Reeves, of Charlottetown, Prince Edward Island, dated 17th Nov. 1854.

Sir,—I am happy to say, that your Pills have restored me to health after suffering for nine years from the most intense general debility and languor, my liver and bowels were also much deranged for the whole of that time. I tried many medicines, but they were of no good to me, until I had recourse to your Pills, by taking which, and following the printed directions for seven weeks I was cured, after every other means failed to the astonishment of my neighbours, acquaintances, and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so. I remain, Sir, your humble servant, WILLIAM REEVES. (Signed)
