## Local and Provincial

Rev. H. T. Montgomery, of Miller, was in town on Friday.

"Don't stand looking and cheering me. That's no good. Come and join me."—Sergeant Michael O'Leary.

Miss Inez Copp has resigned from the telephone office and has accepted the position of bookkeeper and stenographer with Dickson & Troy.

Newcastle certainly looked the part on the Fourth. Many from the neighboring villages spent the day very pleasantly in town.

Gunner Wilfrid Comfort and Gunner Sydney Pushey, who have been in the Military Hospital at Fredericton, have left to rejoin the 28th Battery of Field Artillery at Valcartier.

Twenty-six members of the Fredericton and Marysville bands have volunteered their services as bandmen to join the Canadian Overseas Forces.

Some patriotic person or persons took possession of several flags from the Advocate building some time Wednesday night.

Miss Ruth L. Benson, pupil of the Harkins Academy, Newcastle, was a successful candidate for matriculation in the second division.

Mr. and Mrs. Walter Amy of Newcastle, spent Thursday in town, the guests of Mr. and Mrs. H. B. Angell, enroute to the Gaspe coast. Campbellton Graphic.

The sum of \$97.25 was collected by the young ladies who sold patriotic tags on the Fourth. Their names and amounts collected appear elsewhere in this issue.

Mr. William J. Edgington, who completed a special course at the University of New Brunswick, last May, has joined the editorial staff of the Moncton Times.

Another draft of 250 men for overseas is to be taken from the 55th New Brunswick and Prince Edward Island Battalion, now in training at Valcartier. Announcement is also made from Valcartier that a similar draft is to be taken from the 40th Nova Scotia Battalion.

Encouraging reports have been received by relatives of the condition of Major C. J. McEwen, who was wounded in the head while carrying despatches at Ypres. Mrs. H. P. McLeod, of Fredericton, is in receipt of a letter stating that her brother will be able to leave England for Canada some time this month. He is rapidly recovering from his wounds and is now able to converse with people somewhat as well as write letters.

The officials and employees of the Rhodes Curry Company, Ltd., at Amherst, Halifax and New Glasgow, N. S., and contracts at St. John, N. B., Wolfville, Halifax and Trenton, N. S., have placed one thousand dollars in the hands of the Minister of Militia and Defence for the purchase of a machine gun. The money was raised through the contributions of the officials and employees of this large concern, and the certified cheque for the amount was sent to the Minister of Militia with a letter stating that the donors were endeavoring to do their "little bit" as part of their duty to the King and Empire.

Mr. Arthur W. Kidner, formerly of Fredericton, and now of Calgary, Alta., has joined the Royal Naval Aviation Corps and is now at Toronto attending the Curtiss school to qualify for a flying certificate. He is a son of Mr. T. B. Kidner, formerly director of Manual Training in New Brunswick and is a graduate of the Fredericton High School. Mr. Kidner was trained as a civil engineer, but has been specializing in municipal work and city planning for the past three or four years. Last week he passed the naval authorities' test at Esquimaux, and was directed to report at Toronto at the earliest possible date. After qualifying at Toronto he will be sent to England for active service with the Imperial Navy.

Twelve year old Peter Rutledge, of Sydney, who stowed away with his brothers when they went to the front from Nova Scotia, and who was recently invalided to Toronto, where he is staying with three bullet wounds in his leg and a maimed finger, expects to go to the front again with the governor-general's body guard. As far as can be learned Peter's three brothers have met their death in the trenches, a sister is a nurse at the front and a little brother of four has been adopted by a lady in Nova Scotia. His father died two years ago and his mother did not survive the shock of her son's departure to be a soldier. He was a bugler for a time with the Grenadiers but hopes to get dispatch carrying, as he can ride a motor. The boy wears a silver bracelet, the gift of a lady, and also three rings, which are said to have been put on his finger by royal ladies. He has never received any regimental pay.

Minard's Liniment Cures Distemper.

Newcastle has no reason to be ashamed of the patriotic spirit manifested by its citizens on the fourth.

Seven young men from one street alone in Truro, N. S., are serving the Empire in the present war.

The net proceeds of Chatham's celebration on Wednesday last, amounted to \$1,050. The gross proceeds were \$1,388.

George Stubbs, of Newcastle, has received the appointment of Chairman of the local Board of Health in place of R. L. Maltby, deceased.

Captain (Rev.) Dr. J. H. Macdonald, formerly editor of the Maritime Baptist, has gone to the Dardanelles with the British expeditionary force. He will be chaplain to the Canadian Hospital Corps.

The town of St. Stephen, N. B., has subscribed enough money for the purchase of three machine guns. The Town Council providing one of them, the citizens the other two.

The "Richest Coon in Georgia" drew a very good house Friday night. C. H. Williams and Augustus Stevens, as plain tramps, were about the only stir.

Announcement has been made of the approaching wedding of Hon. Dr. William Pugsley, of St. John, to Miss Gertrude McDonald, daughter of the late Rev. G. W. McDonald, at one time stationed in Woodstock, N. B.

Walter Stultz, son of Mr. Clifford Stultz, foreman of the Moncton Times Job Printing Department, and Milan White, son of Mr. Daniel White, have gone to Charlottetown to enlist in the heavy artillery.

Miss Beate McRae, daughter of Mrs. Fred McRae, Newcastle, led her class at the exercises at the City Hospital, Arlington Heights, Mass., where she has been in training. She made a total of 91 out of a possible hundred.

Announcement is made of the engagement of Corp. Harold Hatheway, of Fredericton, to Miss Constance Smith, of London, Eng., and a daughter of a wealthy member of the London Stock Exchange. Miss Smith was the nurse who brought Corp. Hatheway back to health, and with the announcement comes most interesting war romances.

Obstinate Indigestion  
Can be Cured

Dr. Williams' Pink Pills Go Right to the Root of The Trouble

No trouble causes more widespread suffering and discomfort than indigestion. The ailment takes various forms. Some victims are ravenous for food; others turn sick at the sight of meals; but as a rule every meal is followed by intense pains in the chest, heartburn, sick headache and often nausea. Indigestion assumes an obstinate form because ordinary medicines only subdue its symptoms—but do not cure. So-called pre-digested foods only make the digestion more sluggish, and ultimately make the trouble take a chronic form.

Dr. Williams' Pink Pills cure indigestion because they go right to the root of the trouble. They make new, rich blood, which so strengthens the system that the stomach does its own work and digests the food in a natural way. Many a terrible sufferer from indigestion has found a permanent cure through a fair use of Dr. Williams' Pink Pills. Among them is Mrs. H. Carmer, Locke Street, North, Hamilton, Ont., who says:—"Dr. Williams' Pink Pills not only gave me new health, but new life. For five years I was a great sufferer, was almost constantly dozing, and spent a great deal of money with absolutely no result. My stomach was in such a dreadful condition that frequently it would not retain nourishment of any kind. When I ate I suffered terrible pains, a fluttering of the heart and often a feeling of nausea. In addition to this I was in a very anemic condition, and felt as if I was lingering between life and death. One day while sitting in the park a lady got into conversation with me, and I told her my trouble. She asked me if I had tried Dr. Williams' Pink Pills saying that they had been a great benefit to her daughter. When I went home I decided to try this medicine. I soon found the pills were helping me, and continued taking them for several months, when I was restored to better health than I had enjoyed for years, and I have since been the picture of health. I hope my experience may be the means of pointing to others the way to health."

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

A Chatham Paper  
Runs Short of News

And Shows Its Calibre by Making Impertinent Remarks Against The Advocate

In our last issue the Advocate, in an endeavor to impress upon our citizens and young people the advisability of remaining at home and assisting at our own celebration on the Fourth, which we felt we had a right to do, we used the following words:

"While there will be other attractions going on around us, which may have a strong claim on our sporting nature, we should nevertheless be content to remain at home."

A part of Chatham's program for that day was a game of ball between a local team and the Chatham team, and because the whole population of Newcastle did not flock to Chatham to swell their proceeds, the Gazette makes the following impertinent remarks, under the caption, "Instructions from Newcastle's Kaiser":

"This policy seems to have been so well carried out by Newcastle, that it is doubtful if Chatham will ever again invite a Newcastle team here for a ball game. As an attraction they are negligible; they brought few or no supporters; they came in an auto, collected their money and decamped as soon as their exhibition of ball was over. This sort of conduct is not along the lines of good sport or conducive to intercourse between the two towns."

If our local team is such a negligible quantity as the Gazette would have one believe, it will, probably, be some time before they again accept an invitation from Chatham. They went there on a purely business transaction, played their game, collected their money, attended the dance and returned home, and we fail to see where the editor of the Gazette has any kick coming, or where our ball team is a more negligible quantity than its sore-headed journalistic critic, which in its own town, even, is commonly compared with a porous plaster. The Gazette's criticism of the Advocate's remarks was very much uncalled for, and the epitaph ascribed to the Advocate will only be enjoyed by those of the calibre of its editor. If Chatham be unfortunate enough to have any more of his kind within its limits.

Dynamite Found on  
White Star Liner

Explosive Discovered the Day  
Before the Steamer Sailed  
With 188 Passengers

New York, August 6.—It became known at Police Headquarters here today that a stick of dynamite was found aboard the White Star liner Arable before she sailed from this port for Liverpool on July 28. The explosive, in such a state of deterioration that experts said it would have exploded at the slightest jar, was found by a stewardess between hot and cold water pipes. It was wrapped in newspapers.

According to the experts who removed the dynamite from the ship, it was placed in a woman's rest room, in such a position that had it exploded it would have done considerable damage. It was reported at police headquarters yesterday that a bomb had been found in one of the foreign consulates in New York. The police refused any information upon the subject.

The explosive was discovered the day before the steamer sailed with more than 16,000 tons of cargo, almost all of which was war supplies. One hundred and eighty-eight passengers, among them twelve Americans, were aboard the steamship. On the day the steamer sailed it was known the cargo as well as the baggage of the passengers had been closely examined for bombs.

## SHOP IN YOUR OWN CITY FIRST

This "Made in Canada" movement can be brought a little nearer home to each individual by emphasizing this suggestion: "Patronize the stores of your home town." Each man is entitled to spend his own money where it will buy the most—whether it be in Rome or Asia. But in fairness—Is it not wisdom before purchasing elsewhere to see what the stores of our own town have to offer? The prosperity of each of us is tied up with the prosperity of his neighbor. Acquaint yourself with what the stores of your own town are offering by reading the advertisements in The Union Advocate.

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.
