

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."

—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.
Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

MINARD'S "KING OF PAIN" LINIMENT

Extract from a letter of a Canadian soldier in France.

To Mrs. R. D. BAMBRICK:
The Rectory, Yarmouth, N.S.

Dear Mother:—

I am keeping well, have good food and well protected from the weather, but have some difficulty keeping uninvited guests from visiting me.

Have you any patriotic druggists that would give something for a gift overseas—if so do you know something that is good for everything? I do—Old MINARD'S Liniment.

Your affectionate son,
Rob.

Dominion President Addresses W. C. T. U.

Mrs. Gordon Wright, of Montreal Delivers Timely Address on W. C. T. U. Work.

Instead of the usual prayer meetings on Wednesday evening, a mass meeting was held in St. James Hall addressed by Mrs. Gordon Wright of Toronto, Dominion President of the W. C. T. U. The hall was well filled and the choir of several churches united to furnish the music. Mrs. L. H. MacLean delightfully rendering a solo.

Mrs. T. A. Clarke, the local president occupied the chair. Devotional exercises were conducted at the opening by Revs. L. H. MacLean and F. T. Bertram and at the close by Rev. E. A. Kinley and John Squires.

Mrs. Wright urged the keeping up and strengthening of the Unions in order to help the governments resist the coming demand of the liquor element that license be restored after the war. Her subject was "The Gain of Sacrifice," and she declared that it was for the temperance people to see that what they had gained is the result largely of the awful price paid in the battlefield should not be filched from them. The country must be made safe for the returned soldiers. And there was work for the women to do besides that for Prohibition, as the country was still reeking with venereal diseases. The W. C. T. U. stood for the highest form of patriotic service, and were more needed now than ever.

As the result of Mrs. Wright's eloquent, emotional and wholehearted earnest address, fifteen new members joined the local organization. This was the first meeting in Mrs. Wright's itinerary of visitation of the Maritime Province Unions, and was a great success.

The Only Medicine The Baby Needs

Baby's Own Tablets is the only medicine a mother needs for her little ones. They are a gentle but thorough laxative which instantly relieve all stomach and bowel disorders thus banishing all the minor ills of little ones. Concerning them Mrs. Jos. Levesque, St. Simon, Que., says: "Baby's Own Tablets are a marvelous medicine for little ones. They never fail to cure stomach and bowel troubles and neither my sister-in-law or myself would use any other medicine for our little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

gunshot wound in the jaw. He is listed with the 132nd Battalion previous to which time he was employed at Blackville.

In a recent letter to his father, Pte. Schofield says:

Field, France August 8th, 1918

Dear Dad
Just a line to let you know that I am in the best of health. I almost think that I could put your shoulders on the mat now as I weigh one hundred and seventy eight.

How are the crops this year, they have dandy crops here as France the wheat stands as high as my head. This is one of the best farming countries I ever saw but they are about two hundred years behind the times if we had this land down home we could make a fortune in a few years. Everything looks favorable now and if it continues we will be home on the old farm in a few months. We are all looking forward for it to come to a close this year. But if not we are going to stick it out to the end for that is the spirit of the boys over here.

Give my regards to Archie and all the boys I will close hoping to hear fr. m. you soon.

I remain your son,

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks step on your feet hereafter; wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this Cincinnati authority. He says that a few drops of a drug called frezone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out. This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue. It is claimed that a quarter of an ounce of frezone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

BEAVER FLOUR Requires Less Shortening

And it makes lighter, flakier Pie Crusts, Tarts, Doughnuts and Cookies than you ever got with Western Spring Wheat Flours.

"Beaver" Flour is milled of blended wheat. It contains Ontario Fall Wheat (famous for pastry making) blended with Western Spring Wheat to add strength.

You save shortening—and you get a flour that is always the same in quality and strength—when you use "Beaver" Flour, the only kind of flour that is equally good for Bread and Pastry.
