**TAKE NOTICE
We Want a Clean Election**

It is possible that some parties, have got their names on the voters list, who are under 21 years of age. This is their own fault, not the fault of the Registrars, who cannot possibly know the exact age of "grown ups." In case any person under the age of 21 attempts to vote, agents of the Government will take action. Should they still insist upon voting, while under 21 years of age, and take the oath that they are of legal voting age while they are not so, they will be prosecuted for perjury. This will be carried out impartially without fear or favor.

It is known, that on previous elections, this matter was not attended to as carefully as it might have been. We are assured that with regard to the age-limit, there are persons on the lists to be used at the approaching election, who have no right to be on the lists—they are under 21 years of age. Election day will test their cases.

The National Liberal and Conservative Party, and their candidate Mr. E. A. McCurdy, desire

A CLEAN ELECTION
in every respect, and hope that the Opposition Party and their Candidate, will take similar action, against those attempting to vote, who have no legal right to exercise the franchise. We ask no favors.

THE LIMIT

Morrissy will hardly call his Douglastown meeting on Saturday night a ROUSING RALLY for him, but it was one for McCurdy. A very small attendance was present and Thomas Barnett occupied the chair. Morrissy had Manderson with him. It was the same old story oft repeated. Promises galore including many railroads. Some pointed remarks from the audience put Morrissy in his place and he showed considerable uneasiness. Manderson was asked if he signed McCurdy's Nomination papers and he admitted that he had. Some consistency? Isn't it awful when you think of such rubbish?

REDBANK

The Government candidate Mr. E. A. McCurdy, met with a fine reception at Redbank, on Thursday evening. Mr. Fish and Mr. Swim accompanied him. All three addressed the meeting the candidate first. Old residents declare, it was the largest, and most orderly meeting ever held in Redbank. The hall is a good sized one, and the people who came out to hear the questions of the day discussed could hardly find sitting room, several had to stand.

Mr. McCurdy, in a plain business way, which appealed to the common sense of the audience, laid before them the tariff and railway questions, advocating the measures, in accordance with the policy of the Meighen Government. The audience showed they were with him, by hearty applause.

Mr. Swim and Mr. Fish, the esteemed Mayor of Newcastle, also made pleasing, and pointed addresses; showing where it was to the interests of the people of Northumberland to elect a man like Mr. McCurdy who was in favor of a safe protection Government. Mr. John Parks, filled the chair in a most efficient manner, and expressed his delight at the splendid meeting they had. Redbank this time will give McCurdy good support. The Electors are impressed with the need of a good National policy, to insure the prosperity of our Dominion.

Do You Want To Stay In Northumberland?

If So—Protect Your Job!
The Coming General Election affects you personally.

Vote McCurdy and help to decide whether you are to remain in steady employment at good wages, or whether you will be driven to some other country in search of work.

The One Issue—The Only Issue—Is the Tariff.

Meighen stands firm for the Tariff—For reasonable Protection

The Issue is clear—Take no chances—Go to the Polls.

Northumberland Needs McCurdy.

To maintain Meighen, by voting for McCurdy, is the safe and same way.

THE MORRISSY 'LEADER'

The Leader is out this week, with the statement that "Mr. Baxter still repudiates Mr. McCurdy as a Conservative Candidate." That statement is a lie.

The same issue says that Premier Meighen said in the Newcastle Opera House "that they will not build the Tracadie Railway"

That is another lie.

Joseph P. Manderson, the unfaithful, can now and then strike the truth. He says "there will be Judas Iscariots to the end of time." Here is a sample—He signed Mr. McCurdy's nomination paper, posed as one of his supporters; and immediately betrayed him, by going over to his Opponents. To finish the job, like his predecessor of early times, he should go out and hang himself. Public opinion has virtually finished him already, and so little is his influence now, he will find out on December 6th that all Labor men, are neither fools, nor Judas Iscariots. His trickery repels them, they look upon him with disgust, so far as the cause of labor is concerned. He will find it out, pretty strongly too.

A QUICK CHANGE

Voters attention—The one and only Joseph P. Manderson, who talks so glibly about Judas Iscariot, and who has a mortal column of sob-stuff in the Leader, was less than two weeks ago a member of a Committee in Mr. McCurdy's office, and shot out the under age voters, added by the Morrissy family compact. Wonder if Joseph appreciates the Judas character. Looks like it.

POLITICAL MEETING

On Friday evening McCurdy held meetings at Black River and Napan. He was accompanied by Messrs. Murray, McIntyre, Nicholson and Mersereau of Chatham. Large audiences attended and were most enthusiastic. Each of the above gentlemen addressed the meetings and the result is going to be a landslide for McCurdy from this district. Morrissy will look sick when he reads the returns from down river.

THE RAILWAY VOTE

It is more than likely that Dr. Price will pile up a big majority in Moncton City, Tuesday next. The Railway men are realizing their danger, in any change from the Government policy. The women voters too, will vote in large numbers for the Meighen Candidate. The Railway question greatly interests them.

DIRTY WORK

A party, and a Candidate, with has to be supported by lies, such as the Leader publishes, is unworthy of the support of any decent member of the community, of a more political faith. It has indelibly branded, the Liberal candidate in this case, in his true character, that of an unscrupulous political trickster. He insults the electorate, by asking for a vote.

ALL IMPORTANT

The All-important matter on Tuesday next is to elect McCurdy the Meighen Government candidate which will mean stability for Northumberland and all Canada, and to defeat Morrissy, which will help save Canada and rid him from Northumberland's politics, thus placing the country in its proper place.

WHINEING

Morrissy is now whineing under his own lash. Go to it John, reaction is inevitable and you must suffer the consequences. You started it and must of necessity reap the reward
"That which a man soweth, that shall he also reap."

REPENTANCE

That is so. After announcing to us benighted Conservatives, that there must be no flag waving because, they knew we are fond of it our fellow humans of the Liberal ranks, in this locality, are waving it and it floats proudly from the window of their nearby Committee room. Quite right. We are glad to see it. Of course, what they do it for is another question. After saying "there must be no flag waving," there has been a change of heart a self-determined repentance. Let us rejoice
"While the lamp holds out to burn
The vilest sinner may return."
