## MARKET NEWS.

The following broker's message is published for the information of our clients:—

"Believe recent set-back has restored market to healthy condition. No specific reason to account for further decline. Perfection except forced selling of weak accounts that were unable to carry stock any longer. Many margin holders affected by sharp break and compelled release all holdings, which heavy volume selling apparently carried Perfection to new low of two one-eighth. Company absolutely good and splendid buy at present levels."

## We Thank Our Many Customers

For their patronage during our 25th year of manufacturing, which has enabled us to BEAT ALL PREVIOUS SALES RECORDS, and assure those that have been disappointed as regards deliveries that this was unavoidable owing to the GREAT DEMAND FOR OUR PRODUCTS. We will make every effort to deliver on time during 1920, but would advise the placing of orders early in order to have them handled promptly.

## Opportunities in Long-Term Bonds

Bonds maturing in 1919 or 1920 may now be sold advantageously, and the funds reinvested in longer term securities. The benefits of present high interest yield rates may thereby be secured for a period of ten years and longer.

We shall be glad to offer suggestions.
