HERE are about fifty vessels wintering Kingston—the largest fleet that has a laid up at Kingston for many years,

of ever.

BREAKPAST—EPPS'S COCOA—GRATEFUL and COMPORTING.—By a therough knowledge of the natural laws which govern the operations of digestionand nutrition and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately favored beverage which may save us many heavy doctors bills.—Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homosopathic Chemista, London." Also, makers ei Epps's Milky Cocoa (Cocoa and Condensed Milk.)

Exhaustion and degeneration follow

ei Epps's Milky Gocoa (Gocoa and Condensed Milk.)

Exhaustion and degeneration follow the excessive use of the senses, without due intervals of rest for repair. In order to maintain the wonted energy, the force expended, whether of body or mind, must be restored. When the expenditure of brain matter and other nervous elements is continued by everwork, the early extinction of life itself may be looked for as the result of such degeneration. The ingredients composing Fellows' Compound Syrup of Hypophosphites, are such as will constitute healthy blood, restablish sound nerves and senses, and will consequently not only prevent this exhaustion, but in most cases restore such as is lost.

Save your Dovton's Bill.—When Dr. Wistar's Balsam of Wild Cherry will cuas coughs, colds, bleeding at the lungs, and arrest the fell destroyer, Consumption, it does more than most physicians can do. The use of a single bottle, costing one dollar, will satisfy the incredulous that they need look no further for the required aid.
