The twenty-eighth annual exhibition  
of the Provincial Agricultural Association  
opened on Monday in London, under any-  
thing but favourable circumstances.  
Morning dawned during a thick fog,  
which about eleven o'clock formed itself  
into a drizzling rain. There is a large  
display of exhibits, and visitors are rap-  
idly arriving in the city.  
THE WAY "to minister to a mind dis-  
eased," is to take Peruvian Syrup, a pro-  
tected solution of the *peruviana* of iron,  
which gives strength and vigor to the  
whole system, restores the digestive or-  
gans to perfect health, thereby restoring  
the mind to its natural vigor.

A Canadian labor congress and banquet  
is to be held this week, in the Toronto  
Trades Assembly Hall.  
The development of the resources about  
the inland water system of the Counties  
of Victoria and Peterboro' is engaging  
the earnest attention of the Local Gov-  
ernment.  
The L. H. & B. Railway By-law in  
Tuckersmith has been carried by a ma-  
jority of 4. The financial scheme of this  
Company, so far as aid from the Munic-  
ipalities is concerned, is complete. Wm-  
ham is the terminus.  
SAD ACCIDENT.—On the 29th ult., as  
the wife of Thomas Gibson, M. P., was  
going out of the door a gust of wind  
drove it violently against her, throwing  
her down and fracturing the upper end  
of the thigh bone. Mrs. Gibson lies in  
a very precarious state.

**The Reason Why.**  
The reason why the magnificent Retail  
Grocery Establishments in the Alma  
Block and on Lower Wyndham Street,  
belonging to John A. Wood, are so very  
popular with the intelligent public:—  
Because the Goods are all of the best  
quality.  
Because the Prices are invariably the  
lowest.  
Because the Clerks are courteous and  
obliging.  
Because the Stock is the largest to select  
from.  
Because the goods are always clean.  
Because the Weights and Measures are  
always correct.

Because, in fact, the proprietor under-  
stands his business, desires to please his  
customers, makes good use of his capital,  
and buys for cash in the best markets,  
and always deals liberally with those who  
honor his stores with their custom.—  
These and many other weighty reasons  
have contributed very largely to make  
the name of John A. Wood, as connected  
with the Grocery trade of Guelph, so well  
known, and his stores so very popular.

**REMOVAL.**  
**W. D. Hepburn & Comp'y**  
Have removed their Boot and Shoe Store to the very extensive premises on the  
Corner of Wyndham-st. and St. George's Square.

Their old store being too small on account of the continual increase in  
the Wholesale Manufacturing, as well as in the Retail Departments, they have  
now fitted up the new and much larger place in first-class style, and would in-  
timate to their very numerous customers and the public generally that, having in-  
creased the facilities for manufacturing they are now able to offer to the public  
first-rate goods in all branches, at lower prices than ever before.

**Custom Work in all its Branches made  
TO ORDER.**
