VOICES OF THE PEOPL Tough Times in Dakota.

ario Man's Impression the Country.

To the Editor of the ADVERTISER:
As I am writing I came to the concluthat I would write a short sketch on condition of South Dakota, which printed in your valuable paper, may b some benefit to the Eastern people who have any idea of leaving their comfort have any idea of leaving their comforthomes in the East and coming west to yast prairie of Dakota to seek a fortum have been a resident of Aberdeen, S Dakota, for almost two years, and that time I have taken particular pai find out what I could about the cou and have traveled considerably ove prairie and found out a good deal practical observation. In 1888 every was as favorable with the farming munity as it could possibly be was as ravorable with the fall was the runnity as it could possibly be order to produce most bou harvest. But what was the running the produce and a war age of si bushels per acre. A person to cast a over those large fields of golden grain the strict for a monent in saying not hesitate for a moment in saying they would yield from 30 to 40 bushel acre at the least calculation so far a acre at the least calculation so far pearance goes, but we find the result about one-half this number. Now tal teen bushels per acre at 60 cents per 1 (the present price of No. 1 wheat), an have \$9 60, which will very little mor pay the expense of seeding and have per acre. So you see that under the favorable circumstances farming wipay in this country. In 1889 the cro almost an entire failure on account drought, and consequently the major farmers are left in most destitute c stances. Quite a number of the faclaims are mortgaged very heavily some, I believe, for more than they actually sell for at the present time. some, I believe, for more than they actually sell for at the present time. number of those mortgages are due a farmers have no money to redeem they depending on last summer's cethe money. Now, what do the more do? Well, you know those fellows a kind hearted and sympathetic sort of the control of the contr

with a pittful story they comprome him in this way: "Now, if you are and cannot pay this mortgage, why give you an extension of time for o and only charge you 12 per cent"-"help the poor farmer out." The will have to depend on the gene the other States and railroads to them with seed grain for the coming and will have to run the chance getting anything for it. Money scarce throughout this State at ond the banks will not loan mone the banks will not loan mor I think, as a rule, this country w dry to ever be successful as a farmi try. Public sentiment is highly in

and don't want to be har the farmers and foreclose. Of they would not think of such a thi

a farmer comes in to one of those with a pitiful story they comprom him in this way: "Now, if you are

adopting the "irrigation system' State, but if the farmer has to State, but if the farmer has to dirigation for a crop the sooner he farming and takes his departure fertile country, the better for him The Eastern people may have regreat "boom" which took place h two weeks ago by the opening of treservation west of the Misson This "boom" may have impressed your minds with the idea that time to go west and take claims of called "beautiful and productive land which in a few years will be tortune. Just rest content.

land which in a few years will be tortune. Just rest content. In not so desirable to a person beholds it with his own eyes. I bination of hills, rocks and geannot be cultivated satisfactor count of the hills and rocks; posing it was, this gumbo posing it was, this gumbo not produce anything.
