

"A Cheerful Look Makes a Dish a Feast."

"Cheerful looks" depend just as much upon physical well-being as upon natural disposition and temperament. If the blood is disordered, the brain is starved, and no "dish is a feast," for the reason that the vitalizing elements do not reach the proper spot.

A step in the right direction is to purify the body by the use of a natural remedy. Hood's Sarsaparilla is Nature's remedy. It acts upon the blood, and thereby the seat of the disorder is brain, stomach, liver or kidneys, the purifying process of this medicine is equally sure and successful. It never disappoints.

Great Builder. "Have used Hood's Sarsaparilla for indigestion, constipation, and finds it builds up the whole system and gives relief in cases of catarrh." WILLIAM E. WILSON, Montreal, N. B.

Sour Stomach. "My system was out of order. I suffered from headache and sour stomach. Took Hood's Sarsaparilla, my health improved and I gained 13 pounds." MAXWELL D. SHAW, Colebrook, Ont.

Bad Cough. "My sister was troubled with a cough which caused pain in her left side. She was confined to her bed. We gave her Hood's Sarsaparilla and in a few weeks she was able to sit up in bed, her appetite improved and the cough and accompanying pain disappeared." LILY WALKER, 24 Cottingham Street, Halifax, N. S.

Dyspepsia. "My husband suffered with dyspepsia. He could not eat and his health was failing. Two bottles of Hood's Sarsaparilla relieved him. My husband's father and our little boy have been wonderfully benefited by this medicine." MRS. O. F. CHAMBERLAIN, Glen Sutton, Que.

Run Down. "My system was run down. I could not sleep nights and my appetite was poor. Hood's Sarsaparilla restored an appetite and strength and has made me feel like a new woman." MRS. S. E. DAVEN, Amherst, N. S.
