FOR HOUSEKEEPERS.

The attendance at today's market, owing to the storm, was exceedingly small. Not a score of vehicles with produce were on the market during the

Hay and Straw-Only about six loads on sale; \$850 to \$9 per ton was paid; there should be a good demand for the next few days.

Butter and Eggs-Very little of either of these products was on sale; prices were about the same as those quoted. Vegetables and Apples-Were conspicuous by their absence; neither of these lines were represented. Poultry-Very little on sale; the major-

ity of the offerings were in the hands of hucksters; prices as quoted. Dressed Hogs-About 30 on sale, at \$7.75 per cwt; in several instances \$780 per

cwt was paid. Live Hogs-Mr. D. McIntyre purchased a carload here yesterday, paying \$5 85

per cwt for selects. DAIRY PRODUCE.

RAT PORTAGE. Portage La Prairie, Man., April 1 .-The flood situation here is still very serious, but many think the worst is over. The ice has not yet moved. Railway communication is again cut off. AT WINNIPEG.

Winnipeg, Man., April 1 .- The river here is rising at the rate of two feet in 24 hours. It has still four or five feet to go before the danger mark is reached. The Winnipeg Rowing Club house and the Canoe Club building are threatened, and their contents were removed yesterday. Workmen are busy rying to break up the ice resting against the piers of the bridges. WATER RECEDES.

Brandon, Man., April 1.-The water receded only two inches last night. In the southern part of the city many houses are in three feet of water. Elevated sidewalks are made of tables and boxes.

BRIDGE DAMAGED

Dauphin, Man., March 31 .- The Wilson River bridge has been damaged by ice, and a number of piles carried away, service until bridges are made. The water in all the rivers is higher and running freely.

RAILWAYS HELD UP. A Winnipeg telegram says: The Canadian Northern bridge is in danger. Service on other branches of the Canadian Northern is still interrupted. The Manitoba and Northwest extension of the C. P. R. is also held up. Northern een held for some days at North Da-

kota points. The Great Northern managed to get a train through to the city at 8 o'clock last night, the first since Thursday. Passengers going south yes- ing of notices of advances in wages terday on that road were transferred on flat cars at Rosenfelt over a bad piece of track. Travelers report the track damaged by washouts north of England. Some disagreements over Gretna for a distance of seventeen the amount of the increases have arismiles. HERDERS AND COWBOYS WORK AND WAGES

Canadian Mechanics Sent Back from the Other Side.

Buffalo.April 1.-Seven Canadian me chanics were stopped by customs officials at Black Rock last night. From letters which were found in their possession it was apparent that they had come here to take jobs for which they

had been previously engaged, and were told that they were violating the provisions of the alien labor law. They were sent back to Canada. Toronto, March 31.-The lockout of painters and decorators went into effect yesterday. About 300 men are out. The men sent an ultimatum to the employers last February demanding r working day and an increase in wages from 25 to 30 cents an hour. The employers readily granted the shorter work day, but refused the increase, which the men asked to go

the cattlemen last summer, and some into effect on April 15. In the meanof them have raised fences. time a conference was arranged between the bosses and the men, at which the former agreed to compromise at 271/2 cents an hour. This offer was refused at a largely attended Is in Session, Ottawa People Heal meeting of the union held last Tuesday. They decided to strike on April 15 if their demands were not granted. necessitating the canceling of the train | The employers took action first, and ordered a lockout. It Is a Rescue From Suffering and

Saginaw, Mich., April 1.-The Michigan coal mines have closed operations for an indefinite period, and 2,300 men, earning a monthly wage roll of \$15,000, will be idle. The miners are quiet and determined. They claim that it is a test of the strength of the organization. They declare that no overt acts will be permitted. The operators are saying nothing, save that they have Pacific and Great Northern trains have nothing more to offer the miners than what has already been submitted. It will be necessary for some manufacturers to secure coal elsewhere.

Boston, Mass., April 1.-The postmade Easter Monday a particularly pleasant day to tens of thousands of cotton mill operatives in Southern New en, and the yarn mill operatives who have not been included are disposed up to high water mark. The ice has to be restive, but on the whole the not yet commenced to move. Snow is mill situation is much better than a week ago. The chief incident was the continuance at work of most of the 16,- ous life-giving prescription, with the 000 operatives in the seven plants at conviction and positive knowledge that Lowell, who on Friday last expected to it had peculiar virtues and ample powbe idle through the vote of organized ers to cure, after the terrible verdict crafts to strike.

THIS IS WONDERFUL

Oshawa Man Swears That Dodd's Kid ney Pills Cured Him of Paralysis. Oshawa, March 31.-The excitement

Mr. Brown has been and is still besieged with inquiries from all over Can-"Yes, Dodd's Kidney Pills cured me after all the physicians here and in

"I could not stand alone. I had no "Dodd's Kidney Pills cured me four

Water sufficient to cover one acre one nch deep will weigh 101 tons. Russia's death rate is 51 per 1,000, and s increasing, according to the imperial registrar-general's latest annual report. A SMALL PILL, BUT POWERFUL. They that judge of the powers of a pill by its size, would consider Parmelee's Vegetable Pills to be lacking. It is a little wonder among pills. What it lacks in size it makes up in potency. The remedies which it carries are put up in these small does because they are so remedies which it carries are put up in these small doses, because they are so powerful that only small doses are re-quired. The full strength of the extracts is secured in this form and do their work

LATTER DAY SAINTS' CONFER-ENCE. Lamoni, Iowa, April 1.-The world's conference for the reorganized Church of Jesus Christ of Latter Day Saints, which is to convene at Lamoni April 6 promises to be one of the largest gatherings of the church ever held. Among the ministers and delegates already arrived are all the members of the quorum of twelve apostles of whom or her burden of disease and become

Gomer T. Griffiths comes from England; R. C. Evans, of London, Ont., that the great medicine maintains from Canada mission, and Joseph Luff, more firmly than ever before its unfrom Canada mission, and Joseph Luff, from Colon. This conference will be of great interest to the church people of wealth and social standing throughout the world. The twelve apostles have been in daily session Brown says: since March 20, the special duty of themselves being the oversight of the missionary work throughout the world. cured of a very painful illness of eight The first presidency of the church is composed of Jos. Smith, president; A. H. Smith and E. L. Kelley. A. H. Smith also holds the office of patriarch, and E. I. Kelley the office of bishop.

How unsightly, sometimes disgusting, mortifying to the sufferer and unpleasant to all. An evidence of poor blood and lowered vitality of the eliminating organs. They need toning up—the whole system does, You can quickly bring about expedition by using Ferro-

to settlers. TO CURE A COLD IN ONE DAY
