THE MOST RELIABLE and Successful Authority—Greatest success in the treatment of Hernia (Rupture) Varicoccle (False Rupture) of all known agencies in modern times. He who makes a specialty of one department must certainly be more experienced and capable than those having "many irons in the fire." Don't put off your case, believing it to be simple—Remember neglect often proves fatal. Have your case attended to now, and thus avoid danger. Stop wasting time and money elsewhere but come to one whose life-long study has supple him what to do. Do not despond or be deterred from seeking further advice, or because of repeated failures consider your case incurable. Because others failed in your case you have become discouraged. This is the very time you should consult me as my reputation has been made in curing hopeless (so-called) cases,

LADIES suffering from Navel or any form of Rupture should not hesitate in having their case attended to at once. Everything strictly private and professional.

MOTHERS—Look to your children—Now is the time to have them cured, while young. Don't allow them to grow up handicapped in the race of life, with rupture.

MY CHARGES are within reach of all, the poor man as well as the rich. Terms can be satisfactorily arranged, no reason why you should not consult me at once, during this visit.

VARICOCELE, FALSE RUPTURE

The universal tendency of these conditions is to grow worse and more complicated—leading to limpotency, nervous debility, wasting, structure, lumbago, sexual exhaustion, etc. Do you intend to allow this insidious affliction to sap away your vitality? It is doing so now and if not checked will result in the above conditions. No matter how serious your case may be, time afflicted, or the failure you may have experienced in trying to be cured by medicine—free trials, or Electric belts—my Baotone system will cure you; the wormy veins return to their normal condition and hence the sexual organs receive proper nourishment, the parts become vitalized and manly powers return. No temporary benefit, but a PERMANENT one. NO OPERATION necessary. No detention from business. If you have had the usual experience you have no doubt spent large sums of money and still larger quantities of time searching for the remody that I offer you here.
