First Appearance of Mountaineers Here This Season Provides Fans With Close Contest - Hams Only Lifted Five Balls Over Infield.

In the first appearance of the Mounta ineers locally this year.

In Delotelle and Petie Behan were the leads in a pitching duel through the whole nine-inning piece, and "Old Twenty," when he walked Devon, first man up in the Hamilton ninth, and he cashed in with a run on O'Rourke's two-bagger to right, let himself out of no-run win. Peter sent six of the local braves back to the bench, without so much as a decent look at the ball, but wildness in the first frame, when he hit Vandyke and walked Calbert, the former stealing home on a double shift, took the edge off his superiority in pure deception.

pure deception.

Delotelle only struck out one Tiger, but he had so much syrup on the seams that the ball only went out of the infield five times during the whole afternoon.

afternoon.

The Londoners, besides playing a good defensive game, pulled the Tige tails every time they got on. The first double pilfer was perfectly executed, though an error went to Devon when he made a bad throw to the plate to get Vandyke, with Van already there.

Stutz and Vandyke were on again in the third, when they started a repeat on the tandem sneak, but Purcell showed clearly he had nothing to do in keeping the price of ivory up when he let Vandyke ride and pegged Stutz out at the plate.

Vandyke ride and pegged state the plate.

The run the Tecs grabbed in the seventh, was due indirectly to some more generosity of Behan's. Shay walked and then Curry lifted a high one just back of third, which went through Claire's hands and bounced off his chest. Shay dashed for third, but Claire retriever the ball in time to peg him out at third, while Curry continued on down to second. He scored from there when Delotelle lifted a comedary fly back of first. Beating the Hams with Shag not there

good to the fans, though in that little lack, they saw a for that little lack, they saw a better ball game than many they sat out while the big Irishman was handling the reins. The Hams look about as good as anything that's struck town this season around the infield on what they had to work on yesterday. They've just enough traces of crab to show they're fighting for their games, and they'll probably come back to real form before the series ends.

#### On Local Sand Lots

The G. T. R. team of the Manufacturers' League still clings to second place in the league as a result of their win over the Greene-Swift aggregation at Queen's Park last evening.

Bryce McLeed, who pitched for the raffwaymen, allowed only four scratch hits, but was generous with his passes. The tailors got their two runs in the fourth inning, when Hoffman hit to deep centre. The ball bounded away from Mathews, and the runner landed on third safely. He was scored a minute later, when J. McLeod hit to right for two sacks, going to third and then home on the throw which Powell mussed up. After this McLeod held the tailors ecoseless and only allowed them one hit. Mel Wray, on the mound for the clothlers, was touched up for eight hits. Two of the G. T. R. runs, came in the first inning, when Gillies was given a pass and Pring hit down the third base line. Powell made a double, which scored both runners. In the fourth wray fanned the first two men, Crawley walloped one to right field and scored on Gillies' three-bagger. Gillies was out at the plate when he tried to streech his hit into a homer. The Trunks got another in the fifth and two in the sixth on three hits, three errors and a pass.

dent Maines, whom they charge with bias foward the Canaditan teams. They pointed out that Stupp was put out of the game on Saturlay at Sarnia for asking a question of Umpire Glenalvin, although he was captain of the team, and according to the league constitution had a right to do so.

Manager Orme, it is alleged, went in to ask why Stupp was banned, and he, too, was chased. Horne of Port Huron-Sarnia was also fined.

On Sunday Glenalvin, who stated that he had instructions from President Maines, who was in the stand, demanded that Stupp and Orme pay their fines or the games would be forfeited, but he made no attempt, it is charged, to collect a fine from Horne, and Port Huron-Sarnia was not penalized.

President Maines attended a league meeting at which the Canadian delegates were present, but not until after the meeting did he send by wire the news that Orme had been suspended for Sunday's flasco. The message was received too late to enable the Brants to get another fielder to take his place. The locals have the support of Hamilton and London, and a big row is promised at the next league meeting.

Carpentier has been taking lessons in defence from Jeannette, who was noted for his ability at this part of the game. With Jeannette he went even faster than he had with Denis. He evaded Joe's punches for one round, then they fought at close quarters. Georges took a number of body punches with a smile at the end of the three rounds. Jeannette remarked that the Frenchman was better than he ever had been on the defence.

"He has improved 100 per cent in all departments of the game since our last fight in Paris," he said. "He can hit twice as hard, and he is twice as hard to hit.
