The Quotidien of Levis publishes, on what it declares to be reliable authority very high in the councils of the Libera party, the plan by which Mr. Laurier is to settle the Manitoba school question. As soon as his cabinet is formed, he will submit a report to the Vatican and ask that a papal nuncio be sent to Canada. This prelate will form part of a commission of inquiry, including also Laurier, Joly and Greenway. The inquiry will be held at Winnipeg, and when completed the commissioners will submit their conclusions in the form of a report and be passed by the federal government. In this fashion Laurier hopes to satisfy everyone and to settle the question within six months.
